### BETTER THAN HARD COAL

Soft coal so free from soot that it does not make whiskers on stove covers or pipe, and does not melt or cake when burning, is far better than Hard Coal for general house hold use. Quicker to light, takes less to make a fire, cheaper in price and can also be used for open fires and small heating stoves. Such a coal is Broad Cove Soft Coal. The main thing is to insist on getting the genuine article. No other soft coal burns just like Broad Cove. You will know it by the above characteristics. 21692-3-1

### LIVE SNAKE ON FLOOR COMPELS ADJOURNMENT OF JAPAN'S PARLIAMENT

Tokio, Feb. 28.—An attempt to fix the blame for the throwing of a live snake on the floor of the Diet yesterday resulted in an uproar in the lower House today, causing a temporary suspension of the session shortly after the resumption of the debate on the universal suffrage bill.

A member of the Kensei-Kai party, the opposition, stoutly denied the charge that he was guilty of inciting a boy to drop the reptile from the gallery. During the heated argument which followed a member of the Kokuminto, or Nationalist party, mounted the rostrum and denounced the alleged arbitrary dealings of the speaker. Others spoke in the same strain. Thereafter a representative of the Kai Yu-Kai, the government party, undertook a defence of the government attitude toward yesterday's demonstrations in favor of the suffrage bill, which resulted in disorders last night, when a number of the demonstrators were arrested.

Perceiving that the tumult was beyond control, an adjournment was declared until tomorrow.

### SUITOR KILLS FATHER. WOUNDS GIRL IN TRAIN

West Medway Man Then Turns Weapon on Himself—Both Probably Dying.  
West Medway, Mass., Feb. 28.—P. Russell of this town was shot and killed on a New York, New Haven & Hartford train at Clequot station, near here, by Kingleton Jeffers of West Medway. Russell's daughter, Grace, nineteen years old, was also shot and probably fatally wounded. Jeffers then turned the revolver on himself and is believed to be dying.

Russell was returning with his daughter from Boston. Jeffers was also a passenger, and just before the shooting had approached the seat occupied by father and daughter and attempted to engage them in conversation, according to spectators.  
As the train left Clequot, Jeffers drew a revolver and opened fire, killing Russell with one shot. The girl leaped from the coach and Jeffers pursued her, shooting as he ran. When Miss Russell fell Jeffers shot himself. He and the girl were taken to the Framingham hospital. Jeffers was one of Miss Russell's suitors, neighbors said. Some trouble had arisen recently and it was alleged that Jeffers had made threats against her life.

A pleasing entertainment was given last evening to the members of the fire department stationed at No. 4 City road, through the courtesy of a local firm in giving a phonograph concert.
