Notes From Mt. Allison

Rev. G. M. Campbell will leave next
week for Newfoundland on business in
connection with Mount Allison Ladies' Col-
lege and University. Doctor Campbell will
visit St. John and the principal outposts
in Newfoundland, returning to Sackville
about the 29th July.

Miss Mary Elizabeth Colburn of Gaspé,
Que., daughter of John C. Colburn, has
been appointed to the second chair in the
Massey-Treble School of Household Sci-
ence, in connection with the Mount Al-
lison Ladies' College. Miss Colburn is a
graduate of the Massey-Treble School of
Household Science and Art of Toronto
University.

Miss Flora Marion Curtis, graduate in
Oratory of Mount Allison Ladies' College,
has been elected assistant to Miss Mitch-
ell in the Oratory Department of Mount
Allison Ladies' College.

Miss M. O. Wilson, of Truro, N. S., has
been appointed housekeeper of Ladies'
College, Sackville.

Prof. J. Noel Branton, director of the
Conservatory of Music at Mount Allison
Ladies' College, is at present in London
to secure a teacher of organ and instru-
ment of the choral class at Mount Allison,
filling the position made vacant by the re-
turn of Professor Pickard to England.

Professor Branton will also secure an
assistant teacher in piano, whose quali-
fications and methods will meet the re-
quirements of the leading musical colleges
in Europe.

**WATER AND SEWER
BIDS ACCEPTED**

Two Contracts to Tobias and
Farris—Tenders for Scrap For
First Time

Two contracts for water and sewerage
extension were awarded by the city com-
missioners to the firm of Tobias & Fer-
ris today. The commissioners met this
morning at the water and sewerage board
and opened tenders for the new work. In
both cases Tobias & Farris were the low-
est tenderers and they were awarded the
contracts for the main for the water ex-
tension in Milford and for a new sewer in
St. John street, W. E.

Bids had been asked for the scrap ac-
cumulated by the department in the last
few months and the bid of Wm. Kane
of Sheriff street of \$13.10 a ton for iron and
\$7.77 a hundred weight for brass was ac-
cepted. It is of interest to note that this
was the first time that bids had been
asked for this material.

There are four or five tons of iron and
eleven or twelve hundredweight of brass.
The department is taking advantage of the
repairs to Germain street to lay a
new water main across Germain at Duke
It is their intention to replace the present
four inch main in Duke street with one
of ten inches and the work at the cross-
ing a 12-inch done now and it will be
unnecessary to disturb the new pavement
later on.

The reason why the water supply is not
as plentiful in some parts of the city as
it should be, was shown when the main
in Mecklenburg street which is to be re-
placed, was opened up. The water pipe
was only a four inch one and it was en-
cumbered to a thickness of about two inches,
leaving a very small pipe for such a street.

**EDUCATIONAL INSTITUTE
EXECUTIVE IS ELECTED**

W. J. S. Myles of St. John, is a Member
—Subscription for Needy Teacher

Frederickton, N. B., June 28.—(Special).—
At the morning's session of the N. B.
Educational Institute the following were
elected to constitute the executive for the
ensuing year: H. H. Hagerman, Dr. H. S.
Bridge, Edna M. Gidding, Dr. B. C. Fos-
ter, W. J. S. Myles, G. J. Oulton, Ruth
Thurber, James Sturges, Alexander
and P. G. McFarlane, Inspector Me-
agher was elected representative to the
University senate.

Mrs. John Lawrence of St. John spoke
on Doctor Montessori's system of teaching
feeble minded children. She explained the
system at some length and cordially en-
dorsed it.

The discussion was participated in by
Miss Edna Gidding, Inspector O'Brien,
Inspector Hanson, Doctor Bridges and G.
J. Oulton. Doctor Bridges advocated spe-
cial schools for mentally defective children.
The sum of \$129 was subscribed for a
needy teacher.

OFFER PRIZES FOR A SLOGAN

New Westminster, June 28.—One hundred
dollars has been offered by the Progressive
Association of the city for the best slogan
to be adopted as the motto for the ban-
ner of progress that has been raised here.
A second prize of \$20 will also be given.
All slogans must be sent to the secre-
tary by September 12. To win they must
be short and snappy and have a good lit-
tle to them. They must also include either
the words New Westminster or Fraser.

New Westminster on the broad Fraser
river aims at being the greatest fresh-water
port on the Pacific coast and the chief
opening to the western sport for the
prairie grain, once the Panama canal is
open. With that end in view, big sums
are being spent on harbor development.
All last year Mr. Powell, an American en-
gineer of international repute, was draw-
ing up plans for the harbor, and the city
is just about to pass the first installment
of half a million dollars to be spent on im-
proving the water front in connection of
the opening of the canal. The dominion
government has also started on the three
and a half million dollar work, which they
have planned to improve the river channel
all the way up the short fifteen miles from
the sea to this city.

STILL IN DOUBT

Toronto, June 28.—"I don't know whether
I will accept the railway commission ship

Sensation At Noon For People
At Foot Of Queen
Street

RESCUE WITH LASSOO

Young Man Giving Name as
Givney Runs Down Bank
and Leaps Into Water

To see a young man dash through the
streets and plunge headlong into Cour-
tenay Bay at the foot of Queen street, pos-
sibly created somewhat of a stir in that sec-
tion of the city at noon today. The man,
who is about thirty-eight years of age,
and who gave his name as John Givney,
brushed from the yard of a house at the
foot of Queen street and made a dash for
the railway track, and plunged into the
water. Several people saw him and hur-
ried to the wharf. They saw him strug-
gling in the water, but had no means
whereby they could rescue him.

He had been in the water nearly a min-
ute, when George Earle arrived with a long
rope. With this they managed to get the
man out of the water, using it as a lasso.

He was nearly exhausted when recovered
and was rushed to the Hospital where he
was revived. About three o'clock he was
said to be resting comfortably and nothing
serious was expected. He is said to be a
stranger in the city. He was well
dressed.

COURTENAY BAY

The Courtenay Construction Company
is preparing for a modern installation of
steam drills for their rock excavation on
the dry dock site. The boiler has been
put in place and the drills are on their
way here. Arrangements are being made
for water supply and it is expected that
the battery of steam drills will soon be
at work.

TRAVEL HEAVIER

The passenger travel on the Boston boats
has certainly been increasing during the
last week or so. This morning the Calvin
Austin, Captain Pike, arrived from Bos-
ton with 400 on board. The S. S. Gov-
nor Dingley went out this morning, but
had on a few. Tourist travel on the
Boston train is also increasing. Some of
the passengers report that the heat in the
states is intense, and they are glad to get
down this way to enjoy the cool breezes
of the Bay of Fundy.

ARTILLERY TO PETEWAUA

The local contingent of artillery men
will leave St. John in four weeks for their
annual training at Petewawa, Ontario.
Under the reorganization of the military
forces the 3rd Regiment is now classed
with the movable armament and will prac-
tise with fifteen pounders instead of the
4.7 guns as formerly. The strength of the
camp detachment has been cut down this
year and they will end only twenty-seven
men from each battery instead of full
strength as in other years.
