THE MOLSONS BANK

MONEY FOR TRAVELLERS

An experienced traveller rarely carries large sums of money on his person, instead he uses Letters of Credit—payable all over the world. If you are going to travel this summer, call in at our nearest Branch, and the manager will gladly give you full information.

GROUP ASSURANCE

Has been a powerful factor in the improvement of relations between Employer and Employee. It is issued by the

To Everyman

THE first and most important aim of Everyman who desires to succeed should be the same as that of successful business and financial houses—the formation of a Reserve Fund.
A reserve is not only invaluable when reverses or emergencies arise, but it is a guarantee of strength and promotes self-confidence.
Let us guard your reserve and pay you interest on it.

THE STANDARD BANK OF CANADA

Thin Blood Like Skim Milk

JUST as milk is a perfect food, so is blood a perfect nourisher of the cells and tissues of the body. But thin, watery blood is like thin, watery milk with the cream skimmed off, and you do not look for much nourishment in skim milk. Impaired heart's action is one of the first results of a weakened condition of the blood. There is shortness of breath, the circulation of the blood is imperfect, you are easily tired and suffer from indigestion. The heart is a tireless and prodigious worker so long as it is supplied with an abundance of pure, rich blood with which to replace its own waste. To overcome this starved condition of the system it is necessary to supply to the blood in condensed and easily assimilated form the elements of nature which go directly to supply the nutritive factor in the blood. These ingredients are found in happy combination in Dr. Chase's Nerve Food. Gentle though wonderfully potent in action, this restorative treatment feeds the blood, and through the medium of the blood sends new vigor and energy to every cell and tissue of the human body. The heart's action is strengthened and the feelings of fatigue and lassitude disappear. Dr. Chase's Nerve Food, 50c a box, all dealers or Edmanston, Bates & Co., Ltd., Toronto.

Flooring That Wears

There are few floors that are subject to greater vibration than those in our Sheet Metal Factory, yet they show no effects of the strain. This is because they are covered with Rock Mastic Flooring. Rock Mastic is elastic and resilient, so does not crack easily and is dust and damp-proof. Rock Mastic will withstand heavy traffic and the constant vibration from heavy machinery. Prices and particulars gladly given upon request.
