

WE present to our readers a likeness of the gentleman who has formed the We present to our readers a likeness of the gentleman who has formed the only way, he argued, to obtain his newest church. It is Rev. Mr. Roy, who was a Methodist, but having come to liberty, was not to attempt to prove his the conclusion that there was no necessity in the Divine economy for the Atone- sanity, but to bring his wits and faculment, he expressed his convictions and was crowded out of the Wesleyan ranks. ties to work, whenever he had the com-Being a man of fair talents, and having the confidence of his congregation, he mand of them, to devise the means for successfully escaping from the asylum. ber which have sprung into being in this church-making age.

everything speaks of the enormous experse at which it must be maintained.

This was some of the door of the became of him.

To hoodwink the officers of the asyed by in the train, you had made a he struck his quondam friend and as-

high, and difficult to climb, and guarded at the top by sharp, iron spikes, so
arranged as to prevent the possibility of
their being surmounted; that all the
was about to be verified.

The succeeded so well that he
was unsuspected by all save Dr. Hudson.

In these lucid intervals, which became more and more frequent, he occupied himself wholly with devising the

temps at merruption, of the ceremony content at the possibility of their being surmounted; that all the lower windows, and many of the upper, were fitted with strong bars; that the doors were lined with strong bars; that the mained and bleeding man, and conveyed him to the hospital, it was found, not merely that his limbs and skull were fractured, but that in his then enfeebled and dissipated state, the shock to the sight, there would ring out upon the strong bars, and laws more than a matter of doubt whether his mental faculties would not be forever impaired.

As, bit by bit, he recovered his bodily strength, it began to be more and more frequent, he could reach that fifthed with more was mad.

After a little time these symptoms in creased to such a degree, that he was moved from the hospital to the asylum, but still own means, whining over the lost infant takes from the various cases which is the dead of the could reach the window, and succeed in breakly attention, he window, and succeed in breakly attention, not work with the water of doubt whether his mental faculties would not be forever impaired.

Some times of escape.

He calculated that if he could reach the window, and succeed in breakly attention, he window, and succeed in breakly attention, he window, and succeed in breakly attention, he window, and succeed in breakly with the wind attentive opening the many of the upper, were fitted with the straint attention the best plant in the water of doubt whether his mental faculties would not be forever impaired.

As, bit by bit, he recovered his bodily attention, he was more than a matter of doubt whether his mental faculties would not be forever impaired.

As, bit by bit, he recovered his bodily attention, he could easily squeeze his body through the appetion of the water in the succeed in breakly in the knew not what the initiation of the succeed in breakly and the succeed in breakly attention, he could easily squeeze his body through the appetion of the water in the could reach the window, and succeed in

Midnight clangs out from the bell of loose and dissipated, had been kindly sat there, apparently senseless, he eagerand easy going, Richard Phillimore's ly drank in every word that was uttered. and one of the warders, who has madness was of the cruel and savage

when he was first brought to the asylum, he was a raving maniac, whose wild fury rendered it dangerous for any one to attempt to approach him, and peers curiously into each cell.

The light of his lamp flashes through the aperture, some of the occupants in period of quiet. Had the poor felter than the was first brought to the asylum, he was a raving maniac, whose wild fury rendered it dangerous for any one to attempt to approach him, and say one see him, for days together, never saying a word, and taking no notice of anything."

This is rather a curious case, "said the superintendent turning case," said the superintendent turning case, "said the superintendent turning case," and the man; "expected that his wild attacks are not so frequent, I think. He sits there, just as you see him, for days together, never saying a word, and taking no notice of anything."

For all who are awake, the warder with safety, it was for a long time found has a kind word, and of many he makes necessary that Richard Phillimore inquiries as to their condition; some should be deprived of the opportunity of making violent use of his limbs, and babble so long and so incoherently that that he should be guarded day and that he should be guarded day and start and a shiver, which he found he is compelled to terminate the internight. proceeding, divesting himself of his or three weeks, and then lasting for a who said:

for him. He has not been asleep; he is wide-awake, and actively engaged in working away noiselessly at something wide-awake away noiselessly at something working away noiselessly at the working workin in the corner of his cell. No sooner fusal to answer any question that might does the officer's stealthy footstep fall be put to him. upon his ear than he suspends his operation, and creeps quietly to his truckle bed; the next instant he has flung himself upon it, has pulled the heavy blanket over him, and with his hands folded beneath his head, is in the semblance of a sayund slear.

Deput to nim.

Yet, even in a state of madness as discovered that his wife's fortune is not so large as he imagined—indeed, some say that her father is ruined—he has quite deserted her."

"This is, most probably, some exaggration," said another gentleman. It was only the other day I saw Sir Frederick entering his house in Park

of a sound sleep.

Through the window, which, though situated at an unusual height from the ground, is glazed and not guarded, the rays of the moonlight strike into the cell and fall upon the recumbent figure.

From the door very sharply, and looks

To get at this object of his rage.

It was only the other day I saw Sir Frederick entering his house in Park Lane, and I am pretty nearly certain them, nor any one connected with the asylum, but some one whom the unfortunate man had known in his former turning to look at Phillimore, added, in a low voice: "And to think that this poor creature once was one of us, and enjoyed all the pleasures of society and society of his rage."

To get at this object of his rage. trap in the door very sharply, and looks in. From the couch comes the noise of against whom he uttered the most fright-hard started the st hard stertorious breathing, and the ful threats, was Richard Phillimore's flection and continued so until the party moved out into the corridor. on it the loosely lying limbs and shrunk- keepers not to stand between him and

3

for some time to come."

Another giance, and satisfied that all is correct, he softly closes the trap, and goes on his way.

Then the way on the hed first close.

The the way on the hed first close the trap is considered that about this time there is no chance of my forgetting it. Park Lane, ne intered to minimize the set of the said he lived; let me repeat that until there is no chance of my forgetting it. Park Lane, ne intered to minimize the manual that all the set of the said he lived; let me repeat that until there is no chance of my forgetting it. Park Lane, ne intered to minimize the manual that all the set of the manual that all the set of the manual that all the manual that all the say lived; let me repeat that until the next attack. Then the man on the bed, first clearing the blanket from his ears, and then
by his retiring predecessor of the peculiarities of Phillimore's case, took great

liarities of Phillimore's case, took great

great purpose; that I may be Thy instrument in ridding the earth of this
monster." into its upright position, and listens to the retreating footsteps. As they die away in the distance, he slipe noiselessly from the couch, and as the moonlight's rays fall full upon his upright men to the new superintendent, who was a comparatively young man, unfettered by the doctrines of the old school, that Phillimgra.

The next morning, at a very early hour, Dr. Hudson was aroused by one of the keepers, and five minutes after the new superintendent, who was a comparatively young man, unfettered by the doctrines of the old school, that Phillimgra.

To be continued.

there were times when Phillimore's

brain-power returned to him, lucid intervals, during which his memory of past affairs returned, and he was capable of appreciating what was passing round ALLEN'S

Dr. Hudson mentioned this idea to two or three of his colleagues, and was laughed at for his pains. They held that Richard Phillimore was undoubtedly mad, and must remain so until his death; and the warders and keepers were of the same opinion.

But Dr. Hudson was right. Not merely were there times when Richard Phillimore recollected the past, and was cognizant of the present, but in these lucid intervals he was invested with a kind of sly cunning, not uncommon with UCH SUCCESSIS RARE! those whose insanity is partially intermittent. This cunning prompted him to conceal any improvement in his condition from his attendants. He knew that he had been mad for months, that of maniacal fury, and that no representation which he might make of his restoration to reason would be regarded of the merits of a cough or lung restoration to reason would be regarded as anything else but a delusion; the only way, he argued, to obtain his

What use was liberty to Richard Phillimore? In the place where he
