At the sitting of the Prohibition Commis sion at Charlottetown the testimony wa in some respects more satisfactory as a basis of comparison of liquor consumption under .\$760 95 the Scott Act and free sale, than in the 588 00 larger provinces where testimony bearing or ...8172 95 those points was more difficult to obtain. Collector of Customs Currie submitted statements showing that 43,012 gallons o alcoholic liquors . were entered for consump tion for one year and a half, ending Decem qer 1890. In the later period of the Scott Act 43.012 gallons, including 34,292 gallons The revenue of the County from license much more than the receipts will be required of spirits, as compared with 43,370 gallon fees for six years, from 1876 to 1881 in- to pay witnesses, constables, prisoners' board, including 35,572 gallons of spirits, under free magistrates' expenses, etc., all of which the sale. The quantity entered for consumption 2,735.00 County's next year's assessment will more in 1887 was 33,923 gallons; 1888-9 30,357 2,630.00 fully develop. If, as the Advocate says, 2,300.00 only \$1,050 out of \$2,000 of fines imposed Act years. Witness testified as to the en-1.820.00 since the present inspector was appointed, 1,920.00 lave been collected, the assessment for the four out of ten supporting it failed to drink deficiency will have to be a "startler." We alcohol during the existence of the Act. \$13,380.00 give official figures and official statements The present free trade, with police regula-The average receipts per year for the six from the County records, and they will be tions, was better than the Scott Act. He years immediately preceding the Scott act found much more reliable than the cooked declared that to attempt prohibition at being brought into force were therefore and "prophetic" statistics of the party who present would be folly, as it could not be are using up their funds in the hired enforced and would lead to increased smug-This was the showing under the low "squib" department of our esteemed but gling and illicit stills. He did not think the vigorous enforcement of the Scatt Act diminished drinking to any great extent. He knew of men who voted for the Scott Personal:—Mr. John Marquis is visiting Chatham friends and relatives, and on the return to Colorado is to take a new relative with him. He is reported to be doing well in his western home and is, therefore, to be in his western home and is, therefore, to be in his western home and is, therefore, to be in his western home and is, therefore, to be in the county would receive for licenses would or ought to be any consideration with our race be sailed in as much or more wind than or ought to be any consideration with our race be sailed in as much or more wind than or ought to be any consideration with our race be sailed in as much or more wind than or ought to be any consideration with our race be sailed in as much or more wind than or ought to be any consideration with our race be sailed in as much or more wind than or ought to be any consideration with our race be sailed in as much or ought to be any consideration with our race be sailed in as much will each to the mere bagatelle which the preacher referred to seemed to think they would.
