

OVERCOATS WITH QUALITY, FINISH AND FIT.

You should not judge our Ready-to-Wear Overcoats by and preconceived opinion you may have concerning Ready-made Clothing generally.

Our cheaper Overcoats, \$10, \$12, etc., are just as good fitting, and tailored as well, only the materials, of course, are not so good, but you will find it difficult to get better coats at the price.

Could Not Sleep At Night.

Was All Run Down.

Had No Appetite.

FOOD WOULD NOT DIGEST.

Mrs. L. W. Warner, Riverdale, N.S., is glad there is such a remedy as

Burdock Blood Bitters.

IT CURED HER AND WILL CURE YOU.

She says: "I wish to add my testimony to the many others who have spoken so highly as to the unfailing virtues of Burdock Blood Bitters. I was all run down, had no appetite, lost all ambition, could not sleep much and had terrible headache and backache, and my food did not digest properly. I saw B.B.B. advertised, so concluded to give it a trial, thinking if it did no good it could do no harm. But after using one bottle I began to feel better, and by the time I had used three bottles I was feeling like a new person. I am so glad there is such a remedy provided for suffering humanity, and cannot praise it enough for I think there is no medicine like it on the market."
