Suit Styles For Fall.

No very radical changes have been attempted in Men's styles for fall. Rather is the tendency towards conservatism—less of the "pugilistic" shoulders and more of an effort to give a well-shaped man a natural look. Coats are a little longer, however, and some are very straight in front.

But fabrics and patterns have changed and a visitor to our store will instantly note the difference between those now shown and last year's styles. He will also note the stock is
