**NEW REPAIR PLANT**  
AT WELAND CANAL

ODGENSBURG, N. Y., Dec. 11.—The contract was let yesterday for the erection in this city of a dry dock and shipyard carriage large enough to handle any vessel that can pass through the Welland Canal. Boston parties secured the contract for the work at \$3,000. The shipyard will be of great advantage to marine interests on the St. Lawrence River and Lake Erie. The nearest American drydock of such proportions at present is at Buffalo.

**SENR. ATROLO ASHORE**  
AT LIVERPOOL, N. S.

HALIFAX, N. S., Dec. 11.—The three masted schooner Atrolo, from Philadelphia for Newfoundland, coal laden, went ashore at Liverpool, N. S., last night, while seeking shelter from the severe snow storm. The craft and cargo may be saved.

A census of the German empire to December 1, 1905, shows a population to have been 69,941,273, compared with 66,867,178 in 1900, an increase of 7.6 per cent. From 1885 to 1900 the increase was 7.8 per cent.

**THANKSGIVING GUEST**  
FAILED, WOMAN SUICIDED

NEW YORK, Dec. 10.—Death tonight ended the mysterious career of Mrs. Lulu B. Grover, the magazine writer, who yesterday drank poison at her Lexington Avenue apartments, after having written a letter in which she expressed the wish that her property should be given to the President. Tonight no one came to claim the body or to take charge of her apartments. Neighbors said that she had expected a guest Thanksgiving day and was greatly disappointed when none appeared. Later she told her friends that she had received news of the death of her dearest relative. She spoke of suicide and said she must hurry to Massachusetts.

## COMMERCIAL

TORONTO, Dec. 10.—A special general meeting of the shareholders of the Ontario Bank is scheduled for tomorrow afternoon at 2.30 o'clock and the indications are that it will be very largely attended. It is understood that besides a ticket for directorate, made up by the shareholders, there will be another put up tomorrow which, if elected, will put the financial interests more friendly to the Bank of Montreal than to the shareholders in control.

One of the gentlemen whom many shareholders wished to run for director, approached Curator Staver at 12 o'clock November 11th and asked to have fifteen shares of stock transferred to his name so that he could qualify as a nominee. The curator told him the books closed at 1 o'clock and refused to give him any more time than that, so he was unable to have the transfer made.

Theatre patrons will be pleased to know that the Robinson Opera Company play a return engagement at the Opera House, commencing Christmas afternoon. The company have just returned from St. John's, Nfld., where they have had the phenomenal run of forty performances. Many changes have been made in the personnel of the company since it was last here, which have improved it greatly. Chief among these is the addition of the popular comedian, Jack Henderson, who became such a great favorite when here with the New York Opera Company last season. The dainty little soubrette, Daisy Howard, of "Princess Chick" fame, is another new number that is destined to become very popular here. The old favorites Frank D. Nelson, Mae Kilcenny, Esther Wallace, Frank French, Essie Barton and John Moore are still in the case and appear to splendid advantage in the new operas and musical comedies that have been added to the repertoire of the company. The management have recently made large expenditures for additional wardrobe, and the costumes now carried by this company are the most valuable owned by any opera company in America.

Jas. Barnes, M. P. P., is in the city. The coal mining property near Miramichi, of which he is the president, will be opened on Thursday, and will be worked steadily. There are about 300,000 tons of coal in the deposit controlled by this company.

STAYED ALL NIGHT  
ON A STALLED TRAIN

Hard Times on the Salisbury and Harvey  
Road—Another Scott Act Violator  
Goes to Jail.

MONCTON, N. B., Dec. 10.—G. A. Prince, the St. John traveller, arrived in Moncton this afternoon from Hillsboro and relates a rough experience of travellers on the Salisbury & Harvey railway train, between Salisbury and Hillsboro Saturday night. Mr. Prince left St. John Saturday morning at 7 o'clock for Albert, Albert county, but after being on the road thirty hours without reaching his destination he turned back owing to a series of accidents to the engine on the S. and H. train which left Salisbury at 4 o'clock Saturday afternoon and did not reach Hillsboro until 1 o'clock Sunday afternoon.

Among the passengers were some ladies and all that time on the road was spent without food, except one hard loaf of bread taken from a consignment of freight aboard. The engine broke down at Turtle Creek, ten miles from Salisbury, where she remained all night, the passengers staying in the car. With the mercury showing 20 below zero. Mr. Prince describes it a night of worry. The passengers suffered intensely from cold and hunger.

Friday morning a start was made for Hillsboro, but within a short distance of that town the engine stuck in a snowbank where the train hung up another two hours. Food was sent to the suffering passengers from Hillsboro. When the train arrived at Hillsboro the St. John man had enough. He stopped there, driving back to Moncton today.

The seventh Scott Act violator was taken to Dorchester tonight to serve two months in jail. Cornier was fined \$200 or two months. His case was appealed but the supreme court sustained Magistrate Kay's decision. Cornier had threatened of paying \$200, but he took jail.

As a result of Saturday night's visit to the bars by the police, papers in Scott Act cases were issued today. Those summoned are: Brunsvick, Windsor, Minto and LeBlanc hotels; Plaid Richard and Blair LeBlanc. The constable who has been in search of Indian witnesses who made their escape from Moncton two or three weeks ago, returned to the city tonight empty handed.

The Victoria hockey team held its practice tonight. Nine players were on the ice including Corbett, Wortman, Cushing, Frank Brown, J. Dunlop, Geo. Fries, A. Donald, of last year's team, and Gregory, Stoyles and Jack Brown, new men, slated for positions this year.

**HOT AIR EXPLOSION**

HURT THREE PERSONS

BETHUEL, Me., Dec. 10.—During a fire which destroyed two large buildings in the centre of the town today, three persons were severely injured by a hot air explosion. The injured are Major A. M. True, Frank Robinson, and William Poole. The fire broke out in the two storey wooden building on the main street occupied by G. M. Forbush, general store, and extended to an adjoining structure. The three men were standing in front of the Forbush store when the explosion occurred and all were badly burned. It is expected that they will recover.

Other occupants of the buildings were E. E. Randall, shoe store; E. H. Young, harnessmaker, and the Bethel Lodge of Masons. Total loss about \$35,000.

The moving pictures of the now famous Game-Nelson fight will be shown at the Opera House beginning Monday evening next, Dec. 17th. The pictures have been shown in the larger cities of the United States and have been watched with intense interest by those who had paid as high as twenty-five dollars a seat at the ring side. Besides the lengthy scenes of the battle encounter there will be illustrated songs and interesting pictures of new scenes and comic subjects. Seat sale begins Thursday, Dec. 13th.

**SIXTEEN JOCKEYS**  
KILLED LAST SEASON

NEW YORK, Dec. 10.—In the racing year just closed in the east, but being continued on the western and southern tracks, 16 jockeys met their death on the turf. The record applies to racing throughout the United States, and may yet be increased before the end of the year, with the racing going on at New Orleans, Los Angeles, Oakland and elsewhere. It is remarkable that the majority of fatalities were confined to flat racing. Comparatively few of the riders of timber-toppers met with death, although a number were injured. Only two riders of steep-chases were killed. Several jockeys died natural deaths.

Moncton friends have received the sad news of the death of Mrs. Edward Lynch, which occurred Saturday at Medicine Hat. Death was due to cancer. Mrs. Lynch was well known in Moncton. She was formerly Miss Tves and lived there for a number of years with her sister, Mrs. J. I. Smith. She was an active member of St. John's Presbyterian church, and taught a class in the Sunday school for a number of years. She left Moncton two or three years ago. The body will be brought home for interment.

The sale which opened in the York assembly rooms last night under the auspices of Hazen Avenue Temple, was largely attended. The City Cornet Band was present. The different booths were well patronized and a score of ladies were on hand to serve dinner. The voting contest for the most popular alderman is exciting much interest. The official who gets the largest number of votes will receive 500 cigars. The standing last night was as follows: Ald. McDoullrick first, Ald. Baxter second, Ald. Lewis third, Ald. Baxter fourth, and Ald. Lantaulum fifth.
