Mews Summary.

Stellerton, N. S., has voted in favor acorporation.

Building operations in Winnipeg season aggregate over \$400,000.

— Hon. Mr. Turner has resigned his seat in the Legi-lative of Council, N. B. — Shipbuilding, formerly one of the great industries of Bridgetown, N. S., is to be resumed this fall.

to be resumed this fall.

The imports at the port of Windsor for the quarter ending 30th Sept. were valued at \$73,922. The exports \$55,908.

The third party men of Cumberland are to meet on the 29th, to decide about candidates for the next local elec-

was wayaid and rotered to hait, and on his refusing bis borse was severely stabbed by the highwayman.

—The government steamer Lansdowne, after being repaired in the new dry dock at Halifax, will proceed to Briar Island to lay the cable for the Digby and Westport Telephone Co., scross the passage.

—S. S. Gothenburg City arrived in St. John recently, with a cargo of 5,000 tons of steel rails from Hull, England, for the I. C. R. After discharging at the new pier, the steamer will proceed to Baltimore.

—A Middletown cow was struck by a locomotive and knocked from the track, but not seriously injured. She received such a shaking up, though, that for the maxt twenty-four hours she gave butter instead of milk.

—Rufus Forsythe, of Gaspereaux valley, raised at the rate of 10,000 lbs. of to-matoes per acre during the past season. He also raised at the rate of 10,000 lbs. of to cucumbers per acre, which he sold at one and a half cents per lb, or \$150.

—Tenders are invited by the railway department for the erection of a freight also dat the cast end of the present shed, and will be 70 feet iong. It will probably be used for unclaimed goods, etc.

—Some time ago a resident of Rock.

shed, and will be 70 feet long. It will probably be used for unclaimed goods, etc.

—Some time ago a resident of Rockingham, N. S., turned loose a number of English rabbits. It is reported that they have increased rapidly, and the people in that vicinity are becoming anxious, as they fear they may be as destructive to vegetation as they have been in Australia.

—The corn pack of the Portland Packing Co's factory at Cape Tormentine this season is 450 cases of two dozen each. The corn used was Early Minnesota and Early Crosby. The farmers who tried the experiment of raising corn for the factory are well satisfied with the results.

—Says the Summerside Journal: The potata trade is very lively here this week, and large quantities are being exported, both by steamers and by saling vessels. The price ranges from twenty to twenty-live cents. At this figure potatoes marketed right from the field are a paying crop.

—It is reported that the Canadian Pacific Railway company will abandon the present railway through the Rocky Mountains and build a new road through the Crow's Nest pass, near the American frontier. It is claimed that by that means the route through the Rocky Mountains and build a new road through the Crow's Nest pass, near the American frontier. It is claimed that by that means the route through the mountains can be much shortened.

—The Halifax Ortite says: "Prospectors are busy in all directions, and gold-bearing quarts has been discovered in close proximity to Halifax. Work is also being done near Dartmouth, and areas secured at Preston. The Mines office is the centre of activity, and gold, or its quivalent, is just pouring in. The Province has certainly struck a bonanza in the gold mines."

quivalent, is just pouring in. The Province has certainly struck a bonanza n the gold mines."

—The St. John Board of Trade have arranged with steambost and railway inese to issue "Merchante 'Excursion' idekets daily, during the week commencing 14th October, good to return within one week from the date tickets are purchased. Tickets of admission to the various Public Institutions of the city will also be issued at the board room to merchants and their families.

—Application will be made for the incorporation of the Victoria Mining commany. The objects for which incorporation will be made for the incorporation of the Victoria Mining commany. The objects for which incorporation of the Victoria Mining commensuration of the Victoria Mining commensuration of the prospecting for burchasing, leasing of province, and the purchasing, leasing of province, and the order of the supplies of th

— Counterfeit \$2 bills are on the rounds in Moueton.

— In an editorial on the Dominion Safety Fund Life Association, of St. John, N. B., the Budget, of Toronto, a regular insurance journal of high standing, says: "It is enrolled as a regular insurance, equitable and reflable.

— Most of our readers can remember when the laying of the first Atlantic cable was celebrated throughout this country by the ringing of bells, the firing of cannon and general rejoicing. That was wenty years ago, and now ten cables cross under the Atlantic ocean, and connect the old world and now ten cables cross under the Atlantic ocean, and connect the old world and the new with a means of communication as swift as thought. Still another cable is proposed to be laid by the Canada Atlantic company from Ireland to Straits of Belle lale, Can., a distance of 1,900 miles.

— The next annual session of The Provincial Normal School, will open on November 6th. In addition to the ordinary facilities of professional culture, teachers in training will receive instruction in the tonic sol-fa system of vocal music. They will also have regular opportunities for observing and studying kindergarten methods in actual operation. Applications for catalogues containing full information regarding conditions of admission, courses of study. — While exploring a natural cave, a portion of the Glebe manganese mine, near Waterford, a few days ago, Measrs. John C. Boyer and John Friars discovered underneaths 1 tot of loose earth and stones the skeletons of seven moose and fifteen wolves, in a good state of preservation. The conclusion arrived at was that the animals had been buried in a landside, as they were all near each other. One pair of moose auther is no exhibition at the store of Mills Bros. & Huestis. Une of these measures nearly four feet from Piles writes, "One bathing with *Feter's Linkwest cured me or a sever beached to the Principal Control Control

BRITISH AND FOREIGN.

— The aggregate vote cast at the recent French elections is as follows: Republican, 4,012,353; Conservative, 2,340,686; Boulangist, 1,037,666.

— After destroying a very large number of letters, Mr. Gladstone has selected 60,000 for preservation and has built for them a fire-proof room.

— The giant diamond lately discovered in Cape Colony, and now at the Paris valued at \$4,000,000. It is said to be of the first water, and as pure as the famous Regent in the French crown diamonds.

— London has 7,000 miles of street—and if you walked them at the rate of 20 miles a day, you would have to walk almost 50 days if you should rest on Sunday. The 7,000 miles have 675 miles of public houses—no wonder there is so much misery and sin. In a year the people of Landon drink 200,000,000 quarts of

day. The 7,000 miles have 575 miles of public houses—no wonder there is so much misery and sin. In a year the people of London drink 200,000,000 quarts of people of London drink 200,000,000 quarts of wine. As regards food 1 find that Londoners consume 500,000 oxen, 2,000,000 abeep, 200,000 calves, 300,000 swine, \$400,000 lead of fowls, 500,000,000 oysters, 200,000,000 lobsters—and if that is not enough there are some million tons of canned provisions, no end of froits and vogetables, and 50,000,000 bushels of wheat.—Exchange.

UNITED STATES.

UNITED STATES.

— The Brooklyn Tabernacle, of which Rev. Dr. Talmage is pastor, was burned to the ground Sunday morning. Loss \$150,000; well insured.

— The Raileau Age states that over 3,300 miles of main line railway line track have been laid in the United States since January 1, and that probably over 5,000 will have been completed before the end of the year.

— New enterprises to the number of 2,615 were organized in the South during the first six months of this year, representing a capital of \$108,933,000, as against 2,023 new enterprises, investing \$815,089,000 during the first six months of 1888.

CUMMINA.—On Oct. 1, Jacob S. Cummins, of Canterbury, York Co., in the 73rd year of his age, leaving are aged widow, three sons and one daughter to mount, the departure of an affectionate Christian husband and father, who passed away with caim and confiding trust in the Saviour. By the request of the deceased the funeral sermon was preached to a large congregation, by Hev. Thomas Todd of Woodstook.

BURUBIER.—At Newport, Sept. 22, Mrs. BURUBIER.—At Newport, Sept. 22, Mrs. Henry Burgher, aged 65 years, greatly beloved. Thus we have again and again to record the passing away of our most valued citizens and most useful church with the earnest prayer of her brother in life, united in death. Three families are thus plunged into the deepest grief. The Baptist church is decimated in numbers and weakened in character, but our lose enriches the Father's house on high.

Eddinous.—We have to record the death of Brother Join Eldrides, of Chester Basin, who departed this life Sept. 23, his death was sudden and unexpected, being confined to his bed only two or three days. He was present at the last Conference meeting and there spoke of his faith in the Lord Jesus Christ. Formany years he has been a humble, as a meet, and consistent member of the Baptist church at this place. He leaves a window, sons and daughters, besides many friends to mourn their loss. May the dood of all grace confort the afflicted ones.
