Precious Jesus. We have indeed every reason to believe that she has "joined the white robed company."

Palker.—At the residence of his son, C. W. Parker, on the 22nd of October. She she was a support of the Germain St. church, St. John. Bro. Parker was born in England in 1817, and had just passed his 78th birthday. At an early age he entered the army and during 25 years saw service in England, Scotland, Ireland, Island of Ceylou, Gitralter and West Indies, and finally came to St. John. From this city his regiment was ordered to seat of war in the Crimes, but by the time England was reached the war was declared over. In 1814 he returned to St. John, and was intrusted with charge of the Imperial property here until the barracks were handed with charge of the Imperial property here until the barracks were handed over to the Dominion government. Bro. Parker was for years an active member of the Brussel St. church he was highly esteemed and in his death they mourn the loss of one whose upright life, whose islikulness in the disobarge of duty, whose readiness for every good word and work, will cause his memory to long be dear. Three sons—one Rev. W. F. Parker—In mourning the departure of a loving parcet, have he sympathy of many who held their father in high esteem. The times alservice, participated in by assersal of the pastors of the Cangy.—It gives me deep pain to an ononce the death of my brother E. A.

main St. church, the St. George Society attending in body.

COREY.—It gives me deep pain to an nounce the death of my brother R. A. Corey, M. D., of Chesierton, Indiana. His life went out on Nov. 7th. He was the son of Rev. W. T. Corey, of Havelock, N. B. With the class of '85 he graduated at A. addia, where he was converted under the ministry of Dr. De. Bloia. For three years he taught with his uncle, Dr. C. H. Corey, in the Richmond Institute. He subsequently studied medicine, and he has since been practising at Chesterton, Ind. Personally I owe much to him. It was he who gave me the first impulse to seek the blessing which out a condition of the control o
