

SCHOOLS CLOSE AT APOHAQUI

Murray Hill Gilchrist Makes Highest Average and Name Goes on Shield—George B. Jones, M. L. A., Speaks.

Apoahqui, June 28.—The closing exercises of the Apoahqui Superior School took place on Thursday followed by an entertainment in the evening.

The scholars showed good results from the year's teaching. The highest average, 84.5, was made by Murray Hill Gilchrist, who thus won a place for his name on the "Nelson shield." Those who passed successfully on their averages of the monthly examinations and were not required to write the finals, were Hill Gilchrist, Walter Ogilvie and Sadie McKnight. The programme which was given at the entertainment was of high order for amateurs and reflected much credit on the training of the teachers and the talents of the scholars who played their parts well.

The closing of the National Anthem by W. H. Colpitts, secretary of the School Board, moved a hearty vote of thanks be extended to the teachers, scholars and the organist, Miss Greig Connolly, which was seconded by Councillor Armstrong, and presented in a few complimentary remarks by the chairman, Geo. B. Jones, M. L. A. The primary teacher, Miss Martha McVey, accepted the vote of thanks, responding briefly, the principal, Miss Jeanie McBeath, being unavoidably absent, having been summoned to her home in Richibucto owing to illness in her family. The hall was prettily decorated with foliage and flags, the stage being a perfect bower of maple leaves, brightened by flags which made a delightful setting for the performers in their white attire.

The proceeds of the entertainment amounted to \$26.25, which will be devoted to patriotic purposes to be used for the Soldiers Comforts and in Red Cross work.

SPECIALIST SAID HE MUST OPERATE

She Took "FRUIT-A-TIVES" Instead, And is Now in Perfect Health.

MME. F. GAREAU. 153 Papineau Ave., Montreal. "For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist, who carefully examined me and gave me several tonics to take, which did not help me. Then he told me I must undergo an operation. This I refused to permit. "I heard about 'Fruit-a-tives' and the wonderful results it was giving because this medicine is made from fruit juices, so decided to try it. "The first box gave great relief; and I continued the treatment, taking six boxes more. Now, my health is excellent—I am free of pain and swelling—and I give 'Fruit-a-tives' my warmest thanks."

Heart Beat So Fast Could Not Sleep. HAD TO SIT UP IN BED.

Heart trouble has of late years become very prevalent. Sometimes a pain catches you in the region of the heart, and you feel your heart skip, beats, palpitates, throbs, or beats with such rapidity and violence you think it will burst. You have weak and dizzy spells, are nervous, irritable and depressed, and if you attempt to walk upstairs or any distance you get all out of breath. There is no other remedy will do you so much good, restore your heart to a normal condition, build up your strength and give you back vigor and vitality as Milburn's Heart and Nerve Pills. Mrs. A. Russell, Niagara Falls, Ont., writes: "At night I could not sleep, and had to sit up in bed, my heart would beat so fast. "When I went to walk very far I would get all out of breath, and would have to sit down and rest before I could go any further. I was advised to get Milburn's Heart and Nerve Pills and before I had used two boxes I could sleep and walk as far as I liked without any trouble. "Milburn's Heart and Nerve Pills are 50c. per box at all dealers, or mailed direct, on receipt of price by The T. Milburn Co., Limited, Toronto, Ont."

Manly Strength Self-Help Book Free

It matters not who, any man, young or elderly, needing more vital strength, who is not quite the man he should be, who feels himself weakened as a result of past practices and excesses, can, beyond the shadow of a doubt, hope for self-restoration of his lost, or weakened powers if he is willing to make a fair, square effort along certain perfectly natural lines (of which he can easily learn), and will lead that sort of a decent existence which nature demands that all of us SHALL lead, if we are to prove up to the normal standard of vigor and manly capacity, as we see it exemplified in the best men of the world today.

REAL MANHOOD ALWAYS WINS

It seems to me that any man, unless he is bowed down by extreme old age or by some consuming malady, may increase his physical and vital strength if he really WANTS to, and is willing to make the right sort of a conscientious effort in the right direction and along right lines. We manufacture a little mechanical appliance called the SANDEN VITALIZER (referred to above), and all about which it will pay you to learn, because some day you may want to use one. This little Vitalizer is not expected to do its work unaided, but is meant to act as a powerful assistant to Nature and to the man who wants more vitality or vigor and is willing to do his part in regaining it. You simply buckle the Vitalizer comfortably on your body at night when you retire to bed. It starts its work at once. It sends a stream of a certain silent, penetrating power which we call Vital Force into the body, your kidneys, liver, stomach, bladder, nerves and blood while you sleep. Men everywhere have said it takes that nervous weakness or pain out of the small of the back in short order—sometimes from first night's use, and that often strength and manly vigor is restored in 60 to 90 days. With special attachments, the Vitalizer is also used for rheumatism, kidney, liver, stomach, bladder disorders, etc. If, after reading the free booklet, you decide that you would like to wear the Vitalizer, we shall be pleased to make special arrangements for you to have one to use. If in or near this city, we should be glad to have you call, otherwise please write for book. Hours 9 to 6. Satisfaction guaranteed in every case.
