HAVE GOOD TIME

Visitors from Uncle Sam's Domain Came Here on the Fourth

SEE CITY SIGHTS AND MARCH TO CHURCH

Speeches at Dinner in Rockwood Park—Neat Souvenirs of Visit Exchanged—An Accident on the Way Home—Sunday Parade to St. Andrew's Church.

The city was visited on Saturday by about fifty Odd Fellows from United States cities and during yesterday and Saturday the local members were occupied in entertaining them. Members of Canton City of Lynn and Canton Ridgeway No. 1 and members of other lodges of the order with their wives and other relatives made up the party.

The members of Canton La Tour No. 1 of St. John and a committee of Odd Fellows met the visitors at the hotel and the combined forces marched to the Victoria Hotel. Their appearance was very favorable commented on by the spectators who lined the street near the steamer landing and the many who viewed the march along the route followed.

In the evening six buxards took the Odd Fellows to Rockwood Park. After seeing the attractions and watching the vaudeville show supper was served in the pavilion. After the good things had been disposed of, a programme of speeches, music by the band was enjoyed. The Star Spangled Banner was played in honor of the visitors and Hon. C. N. Skinner rose to greet a speech in which he referred to the visit as a most successful one.

After the banquet, souvenirs were distributed to the guests. The visitors presented a British badge with the United States and British flags crossed and suitably inscribed. Canton La Tour, forty strong, marched to Union street and near the Opera House and the occupants were thrown to the ground. District Deputy Colner was sitting on the seat with the driver and was thrown out on the pavement, striking on his head but escaping with some slight scratches and a shaking up. The fallen Odd Fellows extricated themselves from the wreck and made their own way through the crowd.

At 11 o'clock on Sunday morning the visitors, attended by members of Canton La Tour No. 1 in uniform and representatives from the four local lodges of Odd Fellows formed up at the hall, Union street, and headed by the Artillery Band, forty strong, marched by way of Union, Charlotte, King and German streets to St. Andrew's church, Colonel N. W. Brennan was in command.

The body of the church had been left unoccupied and though a much smaller number than was expected turned out, the effort was made, the Odd Fellows filled the main auditorium very comfortably. The handsomeness of the two rows of seats in front.

Here Dr. M. Campbell, past grand in the order, preached an eloquent sermon on the obligations of brotherhood. He took as his text the words "And ye are all brethren" from Matt. 23:8. At various times, he said, the duty of men as brothers was clearly defined. The fraternal spirit was, however, confined to one class, a few were not out of his way to befriend the despised Gentile. The cultured Greek admitted a patriotic and fraternal spirit to his countryman but for the barbarian he had no mercy. The whole spirit of the age was to look after self.

If by effort a selfish end could be made, the effort was made, not otherwise. Little words that the sun looked down on a voluptuous and corrupted world. This was the age in which the great Roman

MEAGRE RETURNS SHOW MANY CASUALTIES ON "GLORIOUS FOURTH"

Fourteen Deaths and Five Fatally Injured in New England—Boat Capsizes and Four Drown—Three Suicides—Calais Had Two Fires.

Boston, July 4.—Fourteen deaths from various causes and five dying in the annual record which New England contributes this year as its story of the Fourth. Of the deaths which were due directly to the celebration of the day there were but three, one in North Sunderland, one in Loomister and another in Quincy, all caused by the use of the impromptu cannon. Two more are dying in Boston as the result of serious injuries, and a third, a Boston man in a serious condition at Northampton as the result of a runaway cracked under the horse he was driving.

At Sebago Lake in Maine four young people were drowned and a similar accident happened in Malden where a young man lost his life. One boy was struck by a locomotive in Somerville and a man was struck by lightning in Methuen. Three suicides, by shooting, laudanum and hanging, with the deliberate killing of one Italian by another in Lawrence, completes the list of the dead.

The most startling catastrophe of the day was the collapse of the baseball bleachers in New Bedford, where one person was seriously injured and a score of others badly hurt.

Four People Drowned.

Portland, Me., July 4.—This afternoon, while Harvey Jaques, 25 years, Benjamin Krabe, 29 years, Margaret Hawkes, 20, and Gertrude Lowell, 20 years of age, were out sailing on Sebago Lake near Whites Bridge at North Windham, the boat in which they were sailing was capsized. The young people live at Windham Corner and had been in attendance upon a French picnic at Sebago Lake and were returning home, when their boat was seen to capsize, but they were drowned before assistance could be rendered. The boat was in charge of George Moses but he managed to save himself, but the others were drowned and their bodies were recovered later in the afternoon.

Actor Suicides.

Portland, Me., July 4.—James A. Nunn, 35 years of age, an actor playing Charles in the play "The Millionaire" at the Grand Opera House, committed suicide by shooting himself in the chest with a revolver. He had just reached the front doorway when he was shot.

Man Killed by Celebrators.

Loomister, Mass., July 4.—A missile from a cannon used in celebrating the Fourth of July celebration in Loomister, Mass., killed Edward McLaughlin, a laborer of this town, and three young men are under arrest, charged with the shooting. The arrested men are Joseph Coleman, 22 years, W. P. Nutting, aged 29, and Amos L. Simonds, aged 17.

According to the police, McLaughlin was in his home early today, windows of his house being broken and some revolver shots fired. McLaughlin came down stairs to drive the intruders away. He had just reached the front doorway when he was shot.

It was found that they were present from all parts of New Brunswick, Nova Scotia and Maine.

Two new churches were received into the alliance. One of these is situated at Gray's Mills, Kings County, the other at Four Falls, Victoria County. A number of delegates from the missionary societies were present.

The officers for the ensuing year were elected as follows: Rev. W. B. Wiggins, Moderator; Rev. G. B. McDonald, Mediator; Rev. A. L. Bubar, Clerk; Rev. G. B. McDonald, Recording Secretary; H. S. Clarke, Woodstock, Assistant Secretary; Rev. E. J. Traflet, Fort Fairfield, Corresponding Secretary; Eliza Cosman, St. John, Treasurer; Rev. S. A. Baker, Woodstock, Rev. W. H. H. Cosman, N. B. MacDonald, Nominating Committee; Rev. S. A. Baker, Drysdale, Rev. S. A. Baker.

Bullock, of St. John, organized during the alliance and strongly urged the alliance and encouraged to attend the Riverside camp meeting in Aroostook County (Me.) during August. The vice-president, Rev. Mr. McDonald, was appointed to preside at that camp meeting.

The following were appointed tabernacle and grounds committees for Riverside: Rev. C. H. Nevers, C. S. Hilyard, S. Greenlaw and H. S. Cosman with J. S. Bullock, organizer.

The minutes of the alliance, Mr. Cosman, of St. John, then presented his report. This showed receipts of \$401 during the year. The annual report of the hotel and store department showed receipts of \$454.

Rev. H. H. Cosman brought in the report of the committee on Sabbath observance. The committee on Sabbath observance begs leave to recommend that this alliance express itself as strongly in sympathy with all that tends to the preservation of the Lord's Day as one of rest and worship. A dominion law on Sabbath observance is recently enacted carries a stern rebuke to the sordid commercialism and Godless pleasure seeking, which would invade the sanctity of the day.

It was decided that the reports of the corresponding secretary and Sunday school agent be read on Tuesday morning. A. A. Elston, of St. John, was appointed secretary of the alliance was appointed consisting of Rev. G. B. McDonald, Rev. H. H. Cosman and Rev. H. B. Archer.

DEATH IN THE TELEPHONE

English Test Shows Germs on the Mouthpiece

Gulesig Pig Inoculated With Material Taken from Mouthpiece of Public Phone Showed Pronounced Signs of Tuberculosis.

A London dispatch says—According to a report by a medical officer from Westminster to this week's Lancet, a startling result has been attained from a test to discover whether tuberculosis germs exist in telephone mouthpieces.

One of the post office public telephones on the central exchange was wiped around with a swab to remove any existing germs in the mouthpiece and the contents of the swab used to inoculate two guinea pigs. One guinea pig was killed twenty-three days after inoculation and a post-mortem examination showed pronounced signs of tuberculosis. The second guinea pig was killed twenty-seven days after inoculation and showed similar signs of infection, thus proving that the deadly germs of tuberculosis can be transmitted by a public telephone as at present in general use.

It is added that this proves conclusively that all telephones, whether in public or private use, need to be periodically disinfected, as is the case on the London Stock Exchange, where the fifty telephones are sprayed daily with a disinfectant under an agreement with the General Post Office.

TO BE TRIED ON CHARGE OF CRIMINAL ASSAULT

In the police court yesterday afternoon, Martin Downs was committed for trial at the next session of the county court on the charge of criminal assault on Mrs. Annie Fredericks, of Misspe, on June 16. E. S. Ritchie appeared for Downs. The evidence of Mrs. Fredericks, her husband, and their little girl, Kathleen M., was taken.

Mrs. Fredericks said that she had been living in the top flat of the house. On June 16, she was preparing to move downstairs to live and was doing some papering in the rooms. Downs came in while she was thus engaged and caught hold of her. It was only after she had struck him over the knuckles with the scissors that he let her go.

Her screams attracted her daughter who was upstairs and who came down just as Downs was leaving the house. As the defendant was going out of the door she hit him over the shoulder and on the back of the head with a stick. Mrs. Fredericks said that as far as she could tell Downs was sober. She told her husband of what had happened as soon as he came home to dinner.

The evidence given by the complainant's husband and little girl was corroborative. No evidence was offered in defence and Downs was then committed.

SENT ITALIANS BACK ON FIRST STEAMER

Canadian Immigration Agent Would Not Let 25, Who Came to Work on the G. T. P., Land on Saturday.

Twenty-five Italians who arrived here on the steamer Governor Cobb on Saturday to work on the Grand Trunk Pacific railway construction in New Brunswick, were not allowed to land by J. V. Lantulum, Canadian immigration agent, and they were taken back to Boston on the steamer Calvin Austin on Saturday evening. They were rejected here as being undesirable immigrants. A few days ago Mr. Lantulum turned back at Vancouver some forty Italians coming by C.P.R. to engage in G.T.P. work.

It is the intention to refuse admittance to all Italian and other foreign laborers engaged in the United States to come to Canada to work on the G.T.P. J. Perley Lunnery, of the local Canadian immigration office, is now stationed at Lewiston (N.Y.), on this duty.

JUNE DEATH RATE HERE VERY LOW

St. John is apparently a very healthy place to live in just now. During the month of June only thirty-six deaths occurred in the city, and Secretary T. M. Burns, of the board of health says this is the smallest number that he can recall to mind in any month during the seventeen years he has been in office. The average death rate per month is about 70, and since January 1 up to June the smallest number was 72, so that the past month is just half.
