

The Zaily Tribune. J. L. STEWART, EDITOR. TUESDAY EVENING, APRIL. 14.

plosion of the boiler, which created great terror and confusion, as the escaped steam completely enveloped every com-partment below. In consequence all steam facilities had been destroyed, and they had then been under sail against a head wind for twenty-four hours. New York Notes New York, April 11. A Sad Case.—Nicholas G. Verplanck, worth \$75,000, who escaped from the Glen Cove i neane, Asylum some time since, barefooted and in light clothes, was found secreted yesterday. His foet will have to be amputated owing to be-ing frost-blitten.
