

other spheres of usefulness and service, yet in His kind Providence has spared the lives of all our members to continue life's work under His guidance and direction. We cannot let this occasion pass without a reference to the removal of our Honorary President, Rev. R. P. MacKay, from the sphere of active membership. To his faithful and earnest effort the Society owes much of the prosperity it has reached, and we are grateful to know that he has so honored our Society as to permit his name to remain on our membership roll.

In October last the Society sent Miss Martin to the Provincial Convention held at London. The report presented by our delegate on her return gave us much encouragement and added a new zeal to our efforts in the work we are endeavoring to carry on.

We are pleased to report that the sum of \$100 undertaken to be raised for special mission schemes has been collected. The amount raised for other objects during the year is \$109.30. Of this the sum of \$71.75 was received for the aid of the poor.

All of which is respectfully submitted.

President.
