

THE THERMOS BOTTLE

❏ NO MORE USEFUL CHRISTMAS PRESENT CAN BE FOUND THAN THERMOS. It has the added charm of novelty and beauty.

❏ EQUALLY NECESSARY FOR BABY, MOTHER, FATHER, FRIEND OR SWEETHEART. KEEPS BABY'S MILK HOT AND SWEET 24 HOURS. For the invalid it is indispensable—hot or cold nourishment at the bedside at all hours of the day or night. For the sportsman THERMOS is invaluable. THERMOS BOTTLES are useful the year round. Indoors and outdoors, in Winter and in Summer, it has a thousand uses.

❏ THERMOS KEEPS LIQUIDS HOT 24 HOURS WITHOUT FIRE. THE SAME BOTTLE KEEPS CONTENTS ICE COLD 3 DAYS WITHOUT ICE. Filled, cleaned and emptied the same as any ordinary bottle. No chemicals used.

❏ THERMOS consists of two glass bottles one inside the other. The air is removed from the space between these bottles, forming a vacuum. Heat cannot pass through a vacuum, and that is the principle of Thermos.

❏ THERMOS comes in black metal, in nickel, in silver and covered with finest leathers. Leather traveling cases holding from one to four THERMOS BOTTLES may also be had.

❏ If your dealer cannot supply you send your order direct to us at once before the Holiday rush begins.
