

## What're the hip kids bringing along on spring break?

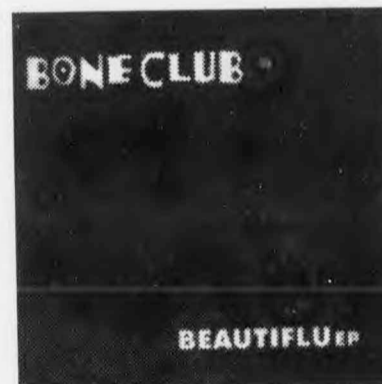

**THE POOH STICKS • MILLION SELLER -**  
An anxiously erotic masterpiece of bubblegum pop celebrating stardom, depressed *Sassy* readers and teenage romance, from the heartthrob, wiseass Archies of the 90's.

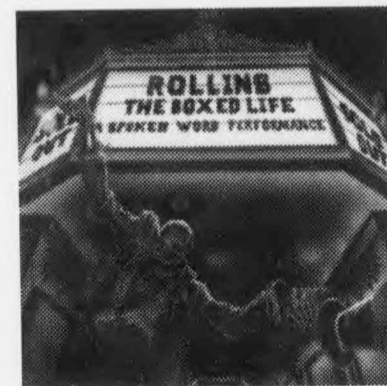

**FLOWERHEAD • KA-BLOOM! -**  
This Austin band have really put "petal to the metal." Drop a little "Acid Reign" in that garden between your ears and watch it Ka-Bloom!

**BONE CLUB • BEAUTIFLU**  
Loud, hard and heavy as a truckload of bowling balls, Boneclub are overflowing with cool ideas and the chops to pull them off.

**ROLLINS • THE BOXED LIFE -**  
"If you're something all the time besides alive, it might as well be funny." So says Henry Rollins in this new, spoken word double album.
