penguin fax

Like humans, penguins fight with their neighbors, steal from each other, quarrel with their wives—but also give them gifts of rare stones, divide chores between mates—sometimes quite unevenly, often take good care of the kids but sometimes neglect or even kill them, are frequently true to mates but sometimes have affairs, play games, shout, and make messes.

X-CAL MEETING

Today at 4,
in 111 Central
Square.

BE THERE.

"I have clinched and closed with the naked North. I have learned to defu and defend; Shoulder to shoulder we have fought it out—yet the wild must win in the end."

—Robert Service

The black sheep of Canadian liquors.

Yukon Jack

Concocted with fine Canadian Whisky.
