Mr. V. M. Gran,  
 Superintendent,  
 James Bay Indian Agency,  
 Moose Factory, Ont.

Dear Mr Gran;

Agency File 44/28-3

With reference to your request for quotation for air services, we have completed the enclosed tender on a strictly charter basis. However you will note that the holding charges are fairly heavy. By making one small change in your itinerary, we could effect a considerable saving for you; this change being returning from Attawapiskat to Moose on the afternoon of June 23rd.

Should this change be acceptable, the charges for the trip would then be as follows:

1.	5 Sked fares Moose to Albany @ \$14.00	June 16	70.00
2.	Mileage Moose Albany Weenusk 350 @ .65	June 18	227.50
3.	Holding charge	June 19	210.00
4.	Holding charge	June 20	210.00
5.	Mileage Weenusk Attawapiskat to Moose 350 @ .65	June 21	227.50
6.	5 Sked fares Attawapiskat to Moose @ \$23.00	June 23	115.00

Total. \$ 1060.00

Yours truly,

V. M. Gran
