March 2, 1920.

Reverend Sir,-

I have your letter of the 24th with regard to James P. and Barnaby Francis.

You recommended that James P. Francis be allowed \$400.00 and Barnaby Francis \$500.00, but you did not state exactly what purchases this will cover. Will you be kind enough to let me have a definite report as to what articles each of these men will require. When this is received their applications will be dealt with.

Your obedient servant,

Asst. Deputy and Secretary.

Reverend John A. McDonald,
Indian Superintendent,
Grand River, Lot 14,
P. E. I.
