He was not watching from a position  
near where the light was.

I don't think the accused could have taken  
the light while the game was in progress.

At the request of the defending officer the  
accused deposed further.

I am quite sure that the accused  
said he had not got the light when Ge Seidel  
and I asked him later.

1204. Pk Courtham H.I. sworn states:—  
I am 1204. Pk Courtham H.I. I remember  
as a result of what Ge Seidel told me I  
went with him and looked for the light  
we engaged from 15 or 20 people but without  
success.

Cross Examination states:—

I don't remember <sup>making</sup> any announcement. (to my knowledge  
he just went round. I was not present when  
the accused was asked
