

I want a new book  
I read but a page  
I like not the news  
I wish you much joy  
I wish you safe home  
I lent him a book  
be not such a fool  
be not in a rage

can you sing a song  
can you tell a tale  
can you run a race  
can you read a book  
can you blow a horn  
let us fall to work  
let us take a walk  
let us run a race
