CAMPAIGN FOR NEW MEMBERS

Suggestions For The Campaign

Read over again our President's letter in the December Link.

Set aside January 14th to January 21st as Calling Week.

Be ready to explain the purpose and the work of our Mission Circles.

See that every woman in the church is invited, individually, to the February Circle meeting.

Make the program for that meeting bright and interesting.

Pray unitedly and privately before hand.

Pray as you go.

Pray after your visits that God may use your work to bring in these women whose help we so much need.

Report your campaign to the Link.
