It Satisfies

A paint that looks and wears well is bound to attract the attention and favorable comments of your next door neighbor—just as paint that fades, peels, and chalks off in a few months is bound to attract their attention and condemnation as well.

Martin-Senour Paint 100% Pure

Meets every requirement of a good paint—it shows its quality in the can and as it flows from the brush, and months afterward *there it shines*—a testimonial to the honesty and skill of its makers.

The luckless house owner who depends on the fickle protection afforded his property, through the use of a cheap adulterated paint, will soon find himself bluffed and vanquished.

A house protected by *Martin-Senour Paint* can enjoy the thousand shrieking voices of the wind, while you listen from the vantage ground of your well shielded home.

A *Good Pure Paint*, while defending your home, renders you far greater service—it adds greater comfort, health, protection, cleanliness; besides it saves your buildings from emptiness and decay.

If your dealer cannot supply you, notify us and we will gladly direct you to where our paints are to be had.
