PUBLISHERS' TALK

SAIN'T VALENTINE seems to have as many worshippers as ever and our cover design this week is our offering at his fickle shrine. Mr. Marten has imparted a Canadian flavour to his suggestive sketch.

THE curling season is at its height and the important matches are fast being added to the historical record. Next week a final article on curling, by Mr. H. J. P. Good, will appear. It will deal exclusively with curling in the West.

THIS week we publish some rare photographs from the Foothill country and the Rockies. Next week there will be a special British Columbia contribution from Bonnycastle Dale. It will deal particularly with the mining town of Ladysmith. Other articles from Mr. Dale on various British Columbia districts will appear in subsequent issues.

THE editor of the new department, "People, Places and Progress," will be glad to have photographs and information concerning new towns and new industrial and commercial developments of all kinds. As is the case with the other departments, the scope is national and no part of the country will be overlooked in this weekly record of activity.

A Mother's Testimony

About a month ago I received one of your LITTLE BEAUTY HAMMOCK COYS and find it perfectly satisfactory in every respect and would not like to part with it, for it is the best thing I ever saw.

Write for a copy of "BABY'S SLEEP" telling all about it.
