tained to be making healthful progress. At the moment of writing, we have not seen the reports of other departments of Connexional work.

But what has thus far pleased us most in the report of the proceedings of Conference that has met our eye is the multiplied evidence afforded of the animating presence of the old Methodist spirit-the manful, courageous, earnest, hearty spirit of work for God. We have not caught in the report the echoes of any lisping utterances of sentimental namby pambyiam. No sign of embroidered clerical mill inerv No scented cambric-handkerchief oratory. But life in earnest throbbing strong in the manly anglo-saxon bosom, and rolling out in words

of intensely earnest common sense. The tides of feeling have risen very high in the Conference heart at times during the session. That was a touching scene when Fred. erick James Jobson, having been elected by the free suffrage of his brethren to the highest position in Methodism, and being summoned to take the Chair, humbly knelt in silent invocation for the anointing of the Divine Spirit to fit him for the faithful discharge of the functions of his great office.
