

"We'll crowd thy gates with thankful songs High as the heavens our voices raise, And earth with her ten thousand tongues Shall fill thy courts with sounding praise."

Can people really be in earnest worshiping after this fashion. To me it appears exquisitely ironical. Go thou worshiper of good taste and politeness, and learn that God will not allow thee to praise Him by proxy, but will have thee to praise Him with thy "whole heart," "with the spirit and with the understanding also."

How to improve Church psalmody has been a question to which much thought and attention has been given for some years past by the people in Wales. A plan adopted and carried out by most denominations there would, if adopted on this side of the border, be the means of much good in this direction. The course pursued is somewhat as follows:—The congregations of a circuit are formed into a union for cultivating congregational singing. A number of hymns and tunes are chosen from the Connexional Hymn and Tune Book, and sent to the leader of the singing at each place of worship, whose duty it is to call his own choir and congregation together for the purpose of learning these particular tunes. It is usual in some places for the congregation to meet an hour before the evening service. After a while a gentleman residing in the neighborhood, having the requisite qualifications, visits without fee or reward each congregation in its turn to give them a little extra drilling. When the tunes are learned sufficiently well, a psalmody festival is held at a central place, to which a number of ministers and musicians interested in the matter are invited. These gentlemen deliver speeches at intervals, criticising the singing, and offering suggestions calculated to improve their future efforts, and which are carefully noted by all parties concerned. Thus a taste for correct psalmody is fostered among the people, which shows itself in a marked manner in the improved singing at the Sunday services.

For practical purposes the area of a circuit is ground quite large enough to work upon with success. County unions have been tried but with doubtful success. A plan like the above might and should be tried in most circuits. Let it be tried. Why not at once? Good singing was once a special characteristic of the Methodist people, and was one of the means blessed by God to the good of souls. Let us catch the spirit and fire of our forefathers. We shall then have different services to what we have now. An interest will be felt in the matter, and everybody will sing correctly and heartily. An influence will be felt which will spread from pew to pew, reaching the pulpit, until preacher and people will lose themselves, so to speak, the one in preaching the Word more earnestly and with greater power, and the others in singing the praises of God; believers will be edified, and sinners, seeing the intense earnestness of preacher and people, will feel a strange influence inclining them to cry out for the living God, as in days gone by. All will feel that—

Heaven comes down their souls to greet, And glory crowns the mercy seat. "Oh, that men would praise the Lord!" "Let everything that hath breath praise the Lord. Praise ye the Lord!"

A LOVE OF TRUE PRAISE.

VACCINATION.

Speaking of the growing anti-vaccination feeling in Europe the Scientific American admits that the statistics unfavorable to vaccination, collected either here or in Europe, may be true; but its confidence in vaccination remains unshaken. The figures teach rather a reform of the practices of vaccination than an abrogation of it. "Vaccine virus, not contaminated and stripped of its virtue by over-humanization—that is, by repeated transmission from man to man—is both free from risks and of certain efficacy. No better proof of this fact is required than the practical stamping out of small-pox in this great city. In view of the fact, that by the general adoption of correct vaccination, small-pox, but lately one of the worst of human scourges, has been so thoroughly brought under subjection in New York, that with 1,100,000 inhabitants there were last year but 14 cases of the disease, and manifestly as unwise as it is absurd for our newspapers to lend themselves to the propagation of anti-vaccination nonsense."

RHEUMATISM.

I had for some years been very much troubled with Rheumatic pain, and weakness in my knees, so that it was with great difficulty that I could walk about; and from the failure of every thing I had tried, I had despaired of ever finding any thing that could cure me: but, by the advice of a friend, I gave GRAHAM'S PAIN ERADICATOR a trial, one bottle of which have completely cured me, as I have not felt any return of that complaint since using this medicine, more than seventeen years ago.

PURE SPICES

BROWN & WEBB, (LATE AVERY BROWN & CO.) WHOLESALE DRUGGISTS,

AND SPICE MERCHANTS HALIFAX,

Invite the attention of readers of the WESLEYAN to the UNRIVALLED EXCELLENCE

of the Spices ground and sold by them. For more than Twenty-Five Years our House has made

PURE SPICES A Specialty,

Having been Pioneers in introducing and advocating their use in place of the MISERABLE TRASH very commonly sold in these Provinces as Ground Spices. We were the FIRST, and for many years the ONLY packers of really Genuine Ground Spices in Halifax, and with little or no advertising Avery, Brown & Co's

Unadulterated Ground Spices

have come to be recognized in most parts of Nova Scotia as THE BEST.

The result has been the gradual creation of a demand for better Spices, and other packers and dealers have been forced to meet this growing improvement in popular taste by furnishing better goods than formerly.

Still, while most grinders profess to supply Pure Spices, they also offer several inferior grades, thus admitting that they practice adulteration. The recent reports of the analysis of Spices and Foods, by the Inspectors appointed by the Dominion Government, have thrown fresh light upon the enormous extent of the adulteration practiced upon Spices. Reference to these reports will show that

BROWN & WEBB'S SPICES

have invariably stood the test, and been reported

Absolutely Pure Spice.

The only excuse for the adulteration of Spices is that the price is thus reduced; but this really only benefits the dealer at the expense of the consumer. In reality as the value of Spice depends only on its Strength and Flavor

The Best is Always the Cheapest.

Our sale of Pure Spices has increased to a very gratifying extent, and as we purchase the whole Spices in large quantities in the best markets of the world, we are enabled to offer our Genuine Spices at little, if anything, higher prices than are demanded for inferior goods of other brands. Be it understood, however, that we will never sacrifice the QUALITY of our goods to the rage for CHEAPNESS, but will always maintain the standard of purity which has given our brand of Ground Spice the preference wherever it is known.

Our Spices are ground by Steam Power, on our own premises, packed in tinfoil packets of 2 ounce and quarter pound, FULL WEIGHT, and labeled with OUR NAME. They may be had of all the leading retail grocers throughout the Maritime Provinces. We request the favor of a TRIAL of them by any who have not already used them, convinced that their own merits will secure their continuous use.

Ground Allspice, Ground Cinnamon, Ground Cloves, Ground Ginger, Ground Pepper, Mixed Spices.

CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, Chronic Coughs, Bronchitis, Scrofula, Anemia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.

Messrs. Scott & Bowne: 66 West Thirty-sixth street, New York, Sept. 2, 1878.

GENTS—I have frequently prescribed SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES during the past year and regard it as a valuable preparation in scrofulous and consumptive cases, plethoric and effluviolous. C. C. LOCKWOOD, M.D.

Messrs. SCOTT & BOWNE—Gentlemen—Within the last year I have used in my own family, and in my private practice prescribed very extensively SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases. Yours respectfully, A H SAXTON, M.D Baltimore-October 12, 1879.

Messrs. SCOTT & BOWNE—Gentlemen—Within the last two months I have fairly tried SCOTT'S EMULSION OF COD LIVER OIL with HYPOPHOSPHITES, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we consider it our most reliable agent, in a perfectly elegant and agreeable form. December 10th, 1878. Very truly J. SIMONAUD, M D, New Orleans, La.

Messrs SCOTT & BOWNE:—Gentlemen—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter, I began to raise blood and rapidly grow worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime: and I used various preparations, but they did me no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion, before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your EMULSION and still continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you and I answer SCOTT'S EMULSION OF COD LIVER OIL, &c. I have a friend who has not spoken aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more, then got a dozen and says that it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people; and I shall do all I can to make known your valuable medicine. Very truly yours, H F SLOCOM, Lowell, Mass.

About the 25th of last April I got a bottle of your EMULSION, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literary starving. I commenced the use of the EMULSION in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. I am yours R W HAMILTON, M.D. For Sale by all Druggists at \$1 per bottle.
