

LIVE STOCK MARKETS. TORONTO.

Receipts of live stock at the City Market were 104 car loads, composed of 1710 cattle, 1565 hogs, 160 sheep, 650 calves and one horse.

The quality of fat cattle was better than at any time this season; that is, there were more of the finished class.

Trade, altho good, considering the heavy run, was draggy all day, dealers seeking to buy at lower quotations, which they succeeded in doing in some of the classes of fat cattle.

All classes of butchers' cattle suffered, even the selected lots were bought about 15c per cwt. lower than last week, and in the common to medium classes prices went off fully 25c per cwt.

Exporters—Prices ranged from \$5.75 to \$6.25, and two extra quality steers sold at \$6.50; bulls sold at \$4.40 to \$5 for the bulk, altho a few extra choice animals brought \$5.25, and one \$5.50.

Butchers—Prime picked lots sold at \$5.75 to \$5.85 per cwt.; loads of good \$5.50 to \$5.75; medium at \$5.25 to \$5.50; common, \$4.75 to \$5.15; cows, \$3.50 to \$5; canners, \$2 to \$3.

Feeders and Stockers—H. & W. Murby report that there were a few lots of both feeders and stockers on sale, but real first-class quality feeders are hard to be got, as all such with a little flesh on them are bought by the killers at more money than the feeder buyers are prepared to pay. Messrs. Murby report the following prices: Good steers, 1000 to 1100 lbs each, at \$4.75 to \$5 per cwt.; good steers, 900 to 1000 lbs each, at \$4.25 to \$4.74; good steers, 800 to 900 lbs each at \$3.90 to \$4.25; good steers, 600 to 900 lbs each, at \$3.25 to \$3.90; light stockers, 400 to 600 lbs each, at \$3 to \$3.25.

Milkers and Springers—Good cows sold well, and the bulk of those offered were such as the dealers were looking for, and these sold from \$44 to \$72 each; there were four cows reported at over \$60 each, but they were of the best quality. There were several common light cows sold down at \$30 each.

Veal Calves—Veal calves were unchanged at \$3.50 to \$5.50 per cwt.

Sheep and Lambs—Export ewes sold at \$5 to \$5.75; rams at \$4 to \$4.58; yearlings at \$6.50 to \$7.50 per cwt; spring lambs, \$4 to \$6.50 each for the bulk.

Hogs—Mr. Harris reports prices unchanged at \$6 for select fed and watered, and lights \$5.75. Market weak.

THE TRAMP.

These are the days when the genus hobo step out into the open from the castles of rest all over the country, where they have spent the winter months at the expense of a generous people and take once more to the road. Willing enough to accept the shelter of a jail over the winter months, the tramp insists upon his regular all summer holiday jaunt to and through the country. Deprived of the joys of riding the bumpers, counting railroad ties, star gazing from the top of a sweet-scented haystack bed or arguing points of law as to meum and teum with farmers' dogs, and life to the tramp would not be worth living. No people follow more literally the scriptural injunction to take no thought as to food, drink, raiment or the day after, and few people are as care free.

General report has it that tramps will be numerous this summer. This is bad news. Satisfied as he may be with himself and his mode of living, he is a nuisance and pest to everyone upon whom he forces his acquaintance. Sympathy bestowed upon him is wasted indeed. The greatest kindness that could be done to him would be to discourage him. This sort of kindness he should get in the largest possible doses from every police officer, police magistrate and judge in the land. Canada is a country of workers, and there is no room in the hive for the drones. Unlike the bees we may not kill, but at least we can put them out of the way. There should be plenty of room for them all on the jail stone or wood piles, and if they discover that it is to the stone pile they will be sent if caught in Canada they will soon learn either to adopt work as a means of livelihood or give this country a wide berth, remaining in the republic to the south, from where most of them originally came.

Helpless and starving in a barn, Joseph Kenedy was found near Guelph and taken to the hospital. He was suffering from gangrene in both legs from neglected frost bites.

Many a woman goes out shopping dressed in silk and enveloped in perfume whose hardworking husband hasn't had a new suit of clothes or a decent meal in five years. Yes, and many a loafer stands on the street with a stinking pipe in his face, his tank full of "booze," and his mouth full of profanity, whose hardworking wife hasn't had a new dress or a kind word since she was married.

MI-O-NA MEANS STOMACH COMFORT.

IT'S OF SPECIAL VALUE TO MANY HERE IN MILDMA.

A notable discovery and one that appeals especially to many people in Mildmay, is the combination of stomach help in the Mi-o-na treatment. This preparation works wonders in case of indigestion or weak stomach.

It acts directly upon the walls of the stomach and bowels, strengthening and stimulating them so that they readily take care of the food that is eaten without distress or suffering.

So positive are the good effects following the use of Mi-o-na that the remedy is sold by J. Coates under an absolute guarantee to refund the money if it fails to cure. A 50 cent box of Mi-o-na will do the good the stomach needs which is simply to make it do its own work.

A farmer from Keppel was begging lately for himself in North Sydenham. He had a pitiful tale of a daughter burned to death, etc., and got dollars or half dollars from almost all he called on. On enquiry it turns out that he goes periodically on such expeditions and is said to make well at it. He has a bad reputation among his neighbors, who have no sympathy with him.

An Irishman who was notoriously impecunious has discovered a new way to achieve some of the luxuries of life. This is how he explains it: "Whist, man, don't say a word about it. I found everybody wanted to sell an 'aut' for a good price to some innocent, so I just hung round the garage at every hotel I stopped at and pretended to be as green as the Emerald Isle, and gave out that I wanted to get a second hand machine, and would not go to a dealer as I did not know anything about a machine, and he might rob me. I have had forty-nine rides, seventeen luncheons, five dinners, and about forty cigars, good, bad and indifferent, but devil a machine have I bought yet."

A PROFIT, ANYHOW.

He was filling his first prescription, and when he handed it to the lady he told her it was a dollar and ten, and after she had gone he informed the proprietor that the dollar was counterfeit. The proprietor looked over his glasses at the young man, and said:

"Well, how about the ten cents—is that good money?"

The young man answered in the affirmative.

"Oh, well," the proprietor replied, "that's not so bad—we still make a nickel."

IN A BREATH THERE'S REST.

BREATHE HYOMEI AND BE CURED OF CATARRH, BRONCHITIS, ASTHMA.

Nature has a remedy for catarrh, epidemic colds and bronchitis that is far better than dosing the stomach with medicine and drugs.

It is the healing oils and balsams of Hyomei which medicate the air you breathe, reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs and restoring health to the mucous membrane.

Hyomei acts like a curative internal air bath, and has the same healing and antiseptic effect as the air where the Pine and Eucalyptic forests give off their fragrant and healing balsams.

Breathe healing Hyomei and see how quickly you will get relief from catarrh and head colds. If it does not help you there will not be a penny's expense, as J. Coates agrees to refund the money. The complete Hyomei outfit costs only \$1.00.

The Ontario Legislature has passed an act amending the Act for the protection of sheep, and imposing a tax on dogs, by giving power to increase such tax to \$2 for a dog, \$5 for a bitch. Municipal councils are given power to appoint an inspector of sheep who will make an enquiry and report on the killing of sheep by dogs. The owner of any sheep or lamb killed or injured by a dog may apply to the inspector and the latter shall assess the amount of damages incurred, which shall then be payable by the municipality in the event of the owner of the guilty dog not being known.
