## Notice to Ford Owners

We, as Ford dealers have made a study of How Glare Head Light devices for three years. Having tried numerous devices at a considerable expense we at last found a Lens that is perfect in every respect.

Although higher priced than some devices on the market, we know this Lens to improve your light considerably, which is our big aim, besides answering all Highway requirements.

The Ford Motor Co. have adopted this Lens as standard equipment on its merits in spite of price.

Beware of Lenses and Devices that claim they are just as good.

It cost us good money to determine what Lens you need on your Ford.

The Patterson Lens is the one you will eventually buy.

The marriage of Mr. Samuel Perschbacher to Miss Marion Woods both of the sixth concession of Carrick, was solemnized at Hanover on February 16th, by Rev. D. J. Lane. Congratulations.

Shipper John Weigel, who shipped a mixed carload of stock to Toronto on Saturday, met with a good market. Two steers shipped by John Wilton, weighing 1220 lbs. each, sold for 10c a lb., and some of the sheep brought 14c.

By another item in this paper, it will be seen that live stock prices have not gone down very seriously for stock of the right quality. A few Carrick farmers recently rushed their cattle to market and received five cents per pound. This is not a wise course to take.

One of our prominent citizens had an exciting experience on Tuesday evening. He was in a load going out to the country to attend a party and in crossing a culvert on the B. line, the sleigh slid around, and our townsman was shoved off his seat and alighted in the creek. He "jack-knife" into water and slush three feet deep and but for the prompt assistance of his companions he might have found a watery grave.

Just arrived, shipment of Dr. J. R. Homo's Palmonic Blood Purifier at the Drug Store.

Dr. and Mrs. T. A. Carpenter returned from their wedding trip on Tuesday morning.

Death of Michael Perschbacher.  
After three months illness with cancer of the stomach, Mr. Michael Perschbacher of the seventh concession of Carrick passed away on Monday evening of this week. Deceased was born in Waterloo County, but had been living in Carrick for the past thirty-seven years. He was a man of sterling qualities, honest and upright in all his ways, and was one of the most active workers in the 6th concession Evangelical church. He is survived by his widow, two sons, William and Samuel, both of Carrick; and three daughters, Mrs. Schmidt of Elmira, Mrs. Yost of Clifford and Mrs. Wilfred Schweitzer of Carrick. The funeral will take place on Friday afternoon at the Mildmay Evangelical cemetery.

Must Pay Alimony.  
John Hannan of Teeswater, who was ordered by two Walkerton judges of the Peace to pay \$10 a week alimony to his wife, appealed against their decision and the matter came up for hearing at Toronto this week. The Judge ruled that Hannan's wife went home for a visit to her parents with her husband's consent, and that there was no suggestion for desertion. Mrs. Hannan was formerly Miss Maud Jasper of Mildmay.

The funeral of the late Mrs. Wm. J. Reddon of Carrick took place last Saturday from the residence of her brother, Mr. George Dixon of Howick. Interment was made in the Clifford cemetery.

Presentation to Chas. Filsinger.  
The following is an address read to Mr. and Mrs. Filsinger last week.  
Dear Mr. and Mrs. Filsinger:

It was with deep regret that we, your neighbors and friends, learned of your intention to depart from our midst and we felt that we could not see you leave us without expressing in some small way the respect in which you are held in this neighborhood. We feel that in losing you both, we are losing kind neighbors and true friends, and we hope that in your new home you will make as many warm friends as you already have here.

We beg of you to accept this rocker as an expression of the good will of your neighbors, and the wish that you will have every success in your new home.  
Signed, Mrs. Fred Harper

Hurt by Horse's Kick.  
On Wednesday morning of last week, Linus Meyer called at the home of his brother, Simon P. Meyer, on the Culross Townline, and offered to drive the children to the Ambleside school. After the little tots had been loaded into the buggy, all ready to start, the horse kicked viciously over the dashboard, its foot striking little Clara, a girl seven years old, on the forehead just over the eye, inflicting a terrible gash. Dr. Gillies of Teeswater was hurriedly summoned, and on his arrival it was thought the child's eye had been destroyed. Dr. Bicknell of Mildmay was called, and the injured child was given an anesthetic to allow the doctors to examine the extent of her injuries. It was happily discovered that the optic was not hurt to any serious extent nor any bones fractured, but it took twelve stitches to close the big gash in her forehead. The patient is recovering very nicely but she will carry a scar for many a day.

Married Sixty Years.  
On the 27th of February, Mr. and Mrs. George Witter of Neustadt celebrated the sixtieth anniversary of their wedding day. Mr. Witter is 83 years old, and his estimable wife is just one year younger, but both are enjoying good health, and are quite active and bright. They are the last of the pioneers of the twelfth concession of Carrick, Mr. Witter being one of the earliest settlers in that section. In 1851 he emigrated from Germany, and after a two years stay in Woolwich township, Waterloo county, he came to Carrick; a lad of sixteen years. This township was then a wilderness of woods, and the Garafraxa Road from Fergus to Durham being the only highway opened up for traffic, although some attempt had been made to open up the road to Hanover. That now thriving town then consisted of a few log shanties, and the Saugeen river was unbridged, and travellers crossed at very great risk in those days. On Feb. 26, 1861, Mr. Witter was married to Miss Annie Miller. They have three sons living, Messrs. E. Witter of Mildmay, John Witter of Carrick and Philip Witter of Toledo, Ohio. Their many friends hope they may be spared to enjoy many more years.

Farewell to Mr. and Mrs. J.P. Hauck  
A number of the neighbors of Mr. and Mrs. Hauck assembled at their home last week to bid them farewell. The following address was read.  
Dear Mr. and Mrs. Hauck:

After several years as residents on this line you have decided to make your future home on the fourth of Culross, and we, your neighbors and friends have assembled on this occasion to manifest to you our sincere regret at your departure from among us.  
While you have lived in the vicinity you have proved yourselves on all occasions to be true and excellent neighbors. You have always displayed such noble qualities that you have won for yourselves the respect and esteem which only true hearted ones can do.

In times of need of any kind you were always willing and in a most cheerful manner to render all possible assistance.  
You have worked hard and dealt honestly during those years and reaped the well-earned reward of your labors. You are leaving this farm for a better one which is our regrettable loss, but is others' most acceptable gain.

Words cannot express the esteem in which we hold you, and Mrs. Hauck so we adopted this means and gathering here to-night to present you this rocker and silverware as a slight token of remembrance.

We wish to assure you that you are bearing with you our sincere good wishes for many comfortable years of health, vigour and prosperity in your new home.  
Signed on behalf of your neighbors and friends.

Dislocated Her Knee.  
While playing with several of her schoolmates at the Separate school last Friday, Josephine Buhlman, youngest daughter of Mr. and Mrs. Leo Buhlman, fell and had her knee dislocated. It was very painful until the doctor succeeded in getting the joint back into its place again, but the little girl is making a rapid recovery.

Horse Drowned in Mill Pond.  
On Tuesday afternoon, when Mr. John Weiler was engaged in plowing ice at the Witter mill pond, his horse broke through the ice, which had become weakened by the very mild weather, and both animals went down into the water which was at that point over fifteen feet deep. One of the horses struggled and plunged frantically, and it is thought that it stunned itself by knocking its head very forcibly against the ice. At any rate, it sank immediately, and it was with very great difficulty that its mate was finally pulled out of the water. The animal was valued at about \$140.
