NEW CLASSES OPENED.
Two Classes Inaugurated for Abnormal Boys and Girls of London.
London, Ont.—Auxiliary classes for public school pupils opened on Tuesday. These classes are new for London, and have been inaugurated to train those children who are abnormally clever in their studies, in addition to pupils who are backward. Teachers who will be in charge of the classes are visiting homes of the children this week in preparation for the opening.
GIANT FISH TOWED.
YACHT SIX MILES.
W. K. Vanderbilt Hooked 500-Pound Tuna and Had a Merry Ride.
HALIFAX, N.S., Sept. 7.—W. K. Vanderbilt, New York millionaire and financier, had one of the most thrilling experiences of his life off Liverpool harbor when he succeeded in hooking a big tuna, which weighed at least 500 pounds. The big fish towed the Vanderbilt party out toward the sea for six, and a half miles, before Mr. Vanderbilt got it turned inward. When within three quarters of a mile of shore, the line jammed, causing a slack, and the fish dropped the hook. Mr. Vanderbilt had the monster on the hook together for an hour and 45 minutes. He left Liverpool on a cruise to Quebec via Halifax on his yacht, the Bagie.
A FINE PROPERTY.
It was announced last week that the Rev. (Col.) Beattie's residence in Cobourg had been purchased by Coun. A. Plunkett for \$8000. Coun. Plunkett has since turned the option he held over to the Cobourg Branch of the Knights of Columbus, who, we understand, will occupy the premises as a club room. There is a lot at the rear of the residence extending almost to Ball's lane. This will be converted into a lawn bowling green and tennis court.

GREEKS REPORT A WIN
Turks Came Over the Top But Were Driven Out
Greek General Headquarters in Asia Minor, Sept. 7.—Turkish Nationalist forces have been driven from the new positions they occupied on Sept. 1, but have retired slowly defending every inch of the ground. On Tuesday night the Turks launched wild attacks and succeeded temporarily in re-occupying their lost position, but later were again driven out.
Unofficial estimates place the Turkish losses at 12,000 killed and wounded. The Greek losses are unknown but are said to be heavy.
