THE COURSE R.

VENDEDAY, YUT, 3, 186.

The special field with the wave showed with the resemble of the course, and the street of the course, and the

reer are painfully familiar to the present generation, and perchance in reading Mr. Baldwin's speech, we mistook his drift, and imputed to him a funcied comparison with the orator when we may have been thinking of the Scottish criminel/the notorious Burke, who choaked out men's lives. Baldwin glories in choaking public opin-Burke, with his plaster on the mouth, ion. Burke, with his plaster on the mouth, amothered his victim. Batdwin, with his service all lately in the neighbourhod of Srathfieldsaye, wrote lately in the neighbourhod majority in the Assembly, smothers discussion to allow her to visit his gardens, for the purpose of inspecting and taking the measurement of several fine breefies, known as the Waterloo beeches, The one stifled all remistance and 'remonstrance, heedless of the agony and wrong he inflictedenstrance and petition-and his toadies chuckle and grin, and sneer at the beck of this political hyposrite, this Colonial Burker. When a representative of the people, like Mr. Boulton, has the manhood to confess the Republican tendencies of this Colony, Mr. Baldwin forgets that all Canadiane have not the misfortung to be ask pork and cabbage for their "marmite," and if gorged with such garbage, it is their nature to grim. The historical recollections of Mr. Baldwin may have imbued him with a taste for buffoons, but even such buffoonery as Cauchon's, however perfect, is out of place in a deliberative Assembly, and Mr. Buldwin's theory of Burking

A FACT FOR THE COMMITTEE ENGAGED IN EXAMINING THE PUBLIC ACCOUNTS .- The maintenance of a Regiment of English Regular Cavalry, consisting of aix troops, or twenty-five Officers, about 300 non-commissioned Officers and Privates, and 276 horses, costs the British Goverment, in round numbers, about £26,000 per annum; this sum includes the pay of the Officers and men, the forage of the horses, the clothing, s, appointments, and ren Fortin Police, say two Officers and forty men, with forty-two horses, costs, in round numbers, £7,000 per annum, or considerably over a fourth

public opinion is, unhappily for his success,

couple of centuries too late.

open dealing would have been in keeping with his frank nature; that he accepted office and became a pensioner of the State, is true, and possibly Mr. Baldwin had this idea floating through his mind when he instituted a comparison yet to be completed; but when Mr. Baldwin has fairly been gazetted into office, few, save himself, will trace any features in common between the oily humbug of Responsible Government, and the gifted orator of conservatsm. There was any Burke," indeed, whose memory and whose career are paisabile fabrillar to the present genera-

The Duke of Wellington and his Waterloo Breeches.

A very comical story been related in private circles for some days past, which is too good to be lost to the public, particularly as it includes the names of several distinguished individuals. The story runs thus:—That Mrs. Loudon, the lady whose clever writings are so well known, being whose clever writings are so well known, being tately in the neighbourhood of Srathfieldsaye, wrote lately in the neighbourhood of Srathfieldsaye, wrote

then than he does now.

A Tunisian steamer recently visited Naples. A Tunistan steamer recently visited Naples. A part of the crew went ashore and were attacked by the lazzaroni, and twenty-three were cut down and eight mortally wounded. This was done in sight of Mr. W. tt. Boulto nor General for a state of the French Squadron, who did not interfere.

PORT OF QUEBEC.

would. His friends were immediately written to, and his brother, who first arrived, expressed his conviction that the lamented gratheman had died in consequence of a general prostration of bodily powers, and not from the would, and therefore did not wish a post mortem examination.

Mr. Buldwin moved that for the remainder of the Suscept the House meet on Mondays. Wellness, the force of the dentist was simply this—"Sir, the instrument I use is overly combination—you perceive it is very complicated and curiously contrived—and to the study necessary to its skilful use I have devoted the best years of my life. If I had failed in my efforts, my time answer of the dentist was simply this—"Sir, the instrument I use is overly combination—you precise the instrument I use is overly combination—of the instrument I use is overly combination—you precise the instrument I use is overly combination—of the instrument I use is overly combination— Mr. Baldwin moved that for the remainder of the Session the House meet on Mondays, Wednesdays, and Fridays at ten. Several Members of the Finance Committee stated that if they were taken away from their duties on that Committee willing to risk the latter, and having been successful, as in your case is clearly shown, I don't thing. think I ask too much, it my sain has from so much misery as you describe to have cost you only two shillings."—The patient reflected a you mutes, and finding there was some sound reason on the side of the dentist's argument, frankly said—"Well, dector, coming to think on't fairly and squarely, and taking all things into consideration, I think by paying you a dollar I have the best of the bargain after all."—Commercial Advantage. cial Advertiser.

Miscellaneous

Dr Macrae, in the hespital at Howrah, has ac Dr Macrie, in the news, discovered a new and cording to the Indian news, discovered a new and most successful mode of treating Cholera patients. He causes them to inhale a certain quantity of oxy He causes them to inhale a certain quantity of oxysen; a which contributes a siroug strinuisting effect, and finally it rows the patient into a refreshing sleep. On awakening, he finds himself restored to health, with the exception of a general weakness which always succeeds any physe; a prostration. Dr. acrae had tested his mode of practice upon fifteen European seamen, who have been carried to the Howerh Hospital in the last stage of the disease, and the patient has in every stage of the disease, and the patient has in every instance recovered.

The change in the Electoral Law of France will diafranchise about four millions of voters, but no one can tell whether these will be the Socialists or their opponents. no one can tell whether these will be the Socialists or their opponents. The Law itself is so badly drawn as to make it difficult of explanation or application. M. Dupin, the President of the Assembly, has said it will require another Law to tell what it means.

The Emperor of Austria has had another narrow escape from death. Being at the port of Trieste, attending some fact evolutions, a cannon the shorted was fired and a ball passed very June 14.

WONDERFUL EFFECTS OF RADWAY'S READY RELIEF. FOR CURING DLARRHOLA.

TAS. STEWART, at Head Quarters, Bonsecours Street, has been complaining of Diarrhost for several days. On Thursday, the 13th instant, he was quite unwell; had constant Diarrhasa upon he was quite unweil; nad constant Diarrages upon him; telt pain in the region of the Stomach; Heaviness, Cold Chille, Sick, Drowsy, Mopish, Low Sydrits, and Sicepy. He was recommended to take a few drops of RADWAY'S READY RELLEF—he took 25 drops—it instantly operated like a charm. In an instant the pain was gone—Cold Chills and Heaviness, Drowsiness and Torpor, gave place to a genial warmth of the system, and a happy flow of spirits.

IN FIVE MINUTES

IN FIVE MINUTES HE DANCED A JIG.

HE DANCED A JIG.

For he was completely cured.

Let all who suffer pain in any form, whether it be RREUMATISM or DIARRHOGEA, PAINS in the BONES or the BOWELS, CRAEN'S, SPASS, STRAINS OF SPRAINS, WEAKERS, SOUS STOMACH, HEART BUSH, SWELLINGS, HEAD ACHE, TIC DOLEREUX, TOOTH ACHE, Salt Rheum, Ring Worm, Resh or Tetter, use Radway's Ready Relief, either externally or internally, and we will warrant them a safe, speedy and effectual cure. I certify that the subove statement is correct.

W. L. STEWART.

I saw the said James Stewart take Radway's
Ready Relief, and witnessed the remarkable
effects it had upon him.
