The Portraits of Our Presidents With Biographical Sketches

General Chas. H. Grosvenor Title page designed by Tiffany

and the other Chief Resemires of the Nation, Regrybody desires to read what General Great what the control of the Station, and the other Chief Resemires of the Nation, Regrybody desires to read what General Great when or the statunch old Respublican leaders to congress, will say at that statuch old Democratic Party, General Orgavenor has thrown into his sheets of Jackson all the fire and energy of the nature. The biography of Thomas selection is yound. The biography of Lincoln is as beautiful as a springe over the hilltons, General Crossenor has persposally known all the Freshdents since the time of James Buchans. The General's book will therefore contain history which has never before been published, written from his own personal-observation of those great men. General Browners, and he has served his country in war and in Congress for heavily forty years. The booksontains twenty-from large Photogravuse Richings as the as afeel, plates, printed by hand, on heavy plate paper made especially to order. These a Photogravure Rechings are in different tints, and are well worth Scenario. These are printed by hand, on heavy plate paper made especially to order. These a Photogravure Rechings are in different tints, and are well worth Scenario Heavy plates and the country in the productions. The complete book is well worth see, but the price has been placed as less than the masterian citizen can own it. The biographical electrhes are printed in large open typic in we colors; the Work is so beautiful that whenpeople see if they want if. The hope the present time is a fortune and a point of the presidents. Try pages time and a fost the made and point of the president of Relieve as a printed in large open typic in we colors; the Work is so beautiful that whenpeople see if they want if. The hope and applications for territory are conting in rapidly. A high cases man or woman of good social standing can soon make a manifortune taking orders in this community, sent references and apply for terms query and conductions.

Portrait of The King.

The most readable paper in Toronto these days is The Star. It is enterprising in its news departments and independent and entertaining editorially In its business management it is always keeping things moving. Just now it is offering free to new subscribing a magnificent portrait of the King printed in nine colors in the finest style of lithography. The offer is the most liberal of any paper. The Daity Star is sent to new subscribers until January Ist. 1903, and also a copy of the magnificent picture of the King for \$1.50, the price of the paper alone for a year. A copy of the pictures was sent to His Majesty the King, and acknowledgment from the Lord. Chamberlain expresses his appreciation of its oleverness and says the portrait was seen by His Majesty the latter an unusual honor.

Calcutt's Medicinal Porter

Newspaper reports show that more than half a million persons in the la grippe belt, which extends across the United belt, which extends across the UnitedStates from New York to the Rocky
Mountains are suffering from the disease
and it is beginning to show itself in Canada. The use of the above Perter is
found a good preventive. The most
delicate persons can use it by beginning
with a wine glass full and increasing as
they get used to taking it. Put up in
plut and quart bottles, and sold by all
the best grocers and kept on draft by all
the best hotels.

Campbell.

After a four-hours' fight the Boers drew off, with a loss of four killed and 20 wounded.

The British loss was one killed and.

The British loss was been making a series of surprise visits to farms in the Harrismith district lately by night, and has thus captured 24 Boers in bed.

Boursen Boers/surrendered in a

Fourteen Boers'surrendered in a body, yesterday near Standerton. Dartnell says signs are increasing of an inclination on the part of individual Boers to surrender.

Glad of a Thousand M. London, Dec. 28.—Telegrams re-ceived here from South Africa still refer to the probable decision of the refer to the probable decision of the Boers to surrender, but a despatch to The Daily News from Volksrust to day declares that the Boers are determined to canlines the war, and that their recent conferences have been with the object of planning a summer campaign.

A despatch to The Daily Mail-from Sydney announces that Joseph Chamberlain, the Colonial Secretary has telegraphed to the Pack.

Chambertain, the Colonial Secretary, has telegraphed to the Right Hon.

E. Barton, the Prime Minister of the Commonwealth of Australia, to the effect that the British Government would be glad of 1,000 men for service in South Africa, Premier Barton having previously declined to offer men unless the Government asked for them.

Fifteen "Friendlies" Shet.

Loudon, Dec. 28.—A correspondent

London, Dec. 23.—A correspondent of The Daily Mail, says: I am in a position to state that by a proclamation stated November 15 General Boths ordered the execution of all Transyani and Free State burghers enrolled among the British forces under the name of National Scouts who fell into the hands of his men. Up to the present 15 of these auxiliaries have been shot by Gen. Botha's, orders and a certain number, flogged owing to their comparative youth.

London, Dec. 20.—The War Office

London, Dec. 20.—The War Office has come into possession of a cipher telegram; supporting to have been sent from the Boer commandant. Delargy, stating that he could not hold out longer than January.

According to the sorrespondent of The Times at Pretoria yesterday morning, Belurcy is believed to be 40 miles, northwest of Klerksdorp, with about 400 men.

The War Office is taking a more hopeful view of the war than it has taken at any previous time.

Fell 50 Feet to Death.

Ridgetown, Ont. Dec. 21.—A sad accident occurred at nine o'clock yesterday morning, when Mr. John Riddell, who had just gone to work on the new Town Hall, fell from the top roof to the frozen ground, some 50 feet below. Death must have been instantaneous, as physicians who were at the scene of accident in three militudes pronounced life extinct. Mr. Riddell, was a resident of St. Thomas and had, with his son, the contract for roofing the son, the contract for rooting the new Town Hall. Both legs were broken at the hip, several rifs in the region of the heart, and there were several large wounds on the

Settlers For the Northwest.

Montreal Dec. 21.-Over five hun-Montreal, Dec. 21.—Over five hundred immigrants arrived over the Canadian Pacific Railway yesterday from St. John. They came out from England on the Garth Castle and Corinthian, and are destined for the Canadian Northwest. Upon their arrival they were conducted to the spacious immigrant quarters, which have recently been completed in the basement of the station. Here every accommodation is provided for them, four large rooms, averaging 80 by 80, being set apart.

Kaised Prepares For Action.

Berlin, Dec. 22.—It is stated good authority that the German Government is preparing for mili-tary action against Venezuela in or-der to compel a settlement of Ger-man claims against that country. It is said that Germany has sent an ultimatem to Venezuela, threaten-ing foreiths measurement. ing forcible measures to compel the satisfaction of German creditors of that country.

Disposes of Schley Case.

Washington, Dec. 23.—Secretary Long has disposed finally of the Schley case, so far as the Navy Department is concerned by acting up-on the findings and conclusions of the Court of Inquiry. He also asked Admiral Schley's defamer. Edgar S. Mindley for his resignation.

CAMPBELLFORD

Chas. G. Wensley,

OR HARD ARE NOW CURABLE

HEAD NOISES CEASE IMMEDIATELY.

Godlemen - Reing entirely cure I of deafness, thanks to your treatment, I will now give you a full that one of my case, to be used at your discretion.

Aloud first years aroo my right car began to sing, and this keylon getting worse, until t lost my learning in this car chairely.

I underworn a treatment for entarch, for three months, without any success, consulted a number of physicians, among others, the most eminent car specialist of this city, who told me that only an operation could help my, and even that only temporarily, that the head noises would then cease, but the hearing in the affected car would be lost forever.

I then saw your never thempted andly in a Now york paper, and ordered your treatment. After I had used it only after day, and no work the poises ceased, and to day, after five weeks, my hearing in the diseased ear has been emirely restdered to have after five weeks, my hearing in the diseased ear has been emirely restdered. Thank you heartly and belt to remain.

Very truly yours.
