WILL NEED 'EM. Bronchial troubles are purely lo-cal. They cannot be helped by sto-mach dosing. They are caused by ir-ritation in the air passages and can be relieved and cured by medicated air alone. In this lies the secret of the great success of Hy-o-mei in the treatment of bronchia troubles:

treatment of bronchia troubles.

The Hy-o-mei medication, laden with natures remedies, is breathed through the neat pocket inhaler that comes with every outfit, reaching every part of the bronchial tubes and killing at once the disease germs. It allays all irritation and heals the inflammation of the mucous membrane with astonishing rapidity.

brane with astonishing rapidity.

Treatment with sprays, douches and atomizers in bronchial troubles is condemned by the best physicians, as they cause further irritation.

The first breath of Hy-o-mei's medicated air seems to soothe the inflammation, stop the cough, and thus relief soon becomes permanent and a cure results.

Hy-o-mei has made many remarkable cures in the worst and most chronic forms of bronchial troubles and is sold by C. H. Gunn & Co. with the same guarantee as they give when Hy-o-mei is purchased for satarrh, that is, to refund the money does not give satisfaction. The complete outfit costs but \$1.00.
