-Mr. David Murray's shop is completed and presents a neat ap-

building a new store next door east of the Post Office.

Wm. Gordon employed painting, papering, &c., which are some of the preliminaries before moving.

—Mr. E. W. Marven, of the firm of Marven and Ogden, has returned from St. John with a fine assortment of Dry Goods, Groceries, Fruit, &c., and from the appearance of things they seem to be doing a good

-The recent cyclone in India destroyed nearly 500 villages. -Several new cases smallpox were discovered in New York on Wednesday.

—Charles E. Mowatt, of the Hermitage, Parish of St. Croix, was drowned on Monday morning by the upsetting of his boat while he was attempting to cross the St. Croix river. He leaves a widow, a daughter of Prof. Jack, late of the University, and three children of tender years.

Polson & Co., of Knigston, writes that Dr. Fowler's Extract of Wild Strawberry has long been considered the best remedy for Summer complaints in the market, and adds that their customers speak in the highest terms of its merits. Wild Strawberry is the best known remedy for Cholera Morbus, Dysentery and all Bowel Complaints.

Completed and presents a neat appearance.

—Mr. Bowden Atkinson has built a new carriage shop, which indicates a greater amount of work and an increase in trade.

—Mr. Jas. Hamilton, with the intention, of resuming business, is building a new store next door east burg society.

—The yacht "Puritan" was contracted for by a builder of South Boston, who sublet the contract to Jenkins and Gardner. Jenkins belongs to St. John, New Brunswick, and is connected with the Jenkins family of Yarmouth. Gardner, as before stated, belongs to Yarmouth. Thus the yacht which has won such high honor is the work of Bluenoses after all.—Yarmouth Times.

—The executive committee of the Ontario branch of the Dominion alliance has
adopted a resolution agreeing to unite in
an organization for an electral union,
and pledge themselves to support for educational, municipal and parliamentary
positions only those candicates who are
known and professed prohibitionists, and
who will favor enacting, sustaining and
enforcing prohibitory legislation.

—An extraordinary effair has instance.

-One thousand barrels of mackerel from Port Mulgrave, N. S., went through by special train over the new bridge ex-tension, St. John, on Thursday morning

Rechiblette, to the whow of the late chief Sock, of Big Cove. This fair sister has already buried five husbands.—Sun.

—According to advices from Philippepolis the report that Russia wishes to detail the polish the report that Russia wishes to detail the polish the report that Russia wishes to detail the running of the Nova Scotia, Nictaux & Atlantic Central Railway Comstruction Company and the Nova Scotia, Nictaux & Atlantic Central Railway Company having expired by lapse of the and failure upon the part of the construction company to live up to their contract and complete the road within the time agreed upon, the railway company took possession of the works last week and have themselves commenced operations on the road. The arrests have caused a great sensation.

—A thoroughbred Jersey heifer three years old died on the exhibition grounds, Kentville, the first day of the show. She belonged to A. D. Foster, of North Kingston, who had refused \$250 for her.

—Howard Grubb, of Dublin, has received a contract from the British Admiralty to erect what will be the largest telescope in the world, a 28-inch diameter refractor, for the Royal Observatory at Greenwich.

—In the games of the Olympia Athletic club in New York, Saturday, W. J. M.

Barry, of Queen's College, Cork, Ireland, threw a sixteen pound hammer 114 feet, beating the American fishing schooner "Caroline" which sailed from Port Medway last.

—The American fishing schooner "Caroline" which sailed from Port Medway last.
