

LOCAL NEWS

THE WEATHER. Toronto, Nov. 22.—Maritime: Moderate to fresh easterly winds, partly cloudy and cool; Wednesday, fair.

U. N. B. Class Group. The Sophomore class of the U. N. B. to the number of 48 are to have a composite group taken by C. E. McLean, photographer.

Accepts Quebec Position. Mr. Archie Sterling will leave this evening for Valleyfield, N. Q., where he has accepted a position with the Nova Scotia Construction Company.

Boy Scouts at Gibson. Two patrols of Boy Scouts have been organized in Gibson. The members were sworn in by Rev. W. Jenkins, pastor of the United Baptist Church at Gibson.

The Tennis Club Funds. The Fredericton Tennis Club may put on an amateur tournament or some other attraction of that kind to raise funds, the club having a deficit on the past season's operations.

Taking Post-Graduate Course. Mr. Francis Walker, formerly of the Fredericton High School teaching staff, is now taking a post-graduate course at Harvard University to obtain the degree of Ph. D.

Business Transferred. The Yerkla Grocery Company sold out their branch store business at the corner of King and Northumberland streets to Mr. W. G. Dykeman, late of the firm of Dykeman & VanWart, who has been the manager of the business.

The Late Mrs. McCluskey. The funeral of Mrs. John McCluskey took place this morning from her late residence on King street and was largely attended. At St. Dunstan's church Rev. F. L. Carney celebrated High Mass of Requiem and interment was made at the Hermitage.

Chimney Fires. The fire department was called out yesterday for two chimney fires, by an alarm last evening from box 44 for one at the residence of J. M. Chappell, King street, and the other by a still alarm earlier in the day for a blaze at the Star Line warehouse on the company's wharf.

The Inches Estate Accounts. The passing of the accounts of the estate of the late Mrs. Julius Inches was completed yesterday afternoon in the York County Probate Court, the receipts amounting to about \$27,000 with disbursements of the same. Dr. P. R. Inches and Mrs. W. A. Ewing, of St. John, who were here in connection with the matter, returned to St. John last evening.

A Western Editor Now. Mr. Lindsay S. Gove, formerly of Amherst and later of the St. John Sun is the managing editor of The Lethbridge News, a bright new seven column daily paper, that is being published at Lethbridge, Alberta. Mr. Gove's friends in Fredericton and elsewhere in the Maritime Provinces will join in wishing him success in his new enterprise.

A Former Fredericton Pastor. Rev. William Stewart, formerly pastor of St. Paul's Presbyterian church here, has retired after 48 years in active ministerial work, the last 20 years having been spent as pastor of the Reformed Church, Nutley, N. J., of which he has now been appointed principal emeritus. His other pastorates included Warwick, Bermuda, West Point, P. E. I., Hamilton, Ont., and Green Hill, N. S.

Disorderly House Cases. In the police court this morning the cases against two women and a man, charged with keeping a disorderly house in Kingsclear, of which Daisy Wilson pleaded guilty yesterday of being the proprietress, were adjourned for a week. The trio did not show up in court and in the meantime the police will endeavor to locate them. Col. Marsh stated that the law in regard to such places would be strictly enforced if so desired by the residents of that section of Kingsclear in which it is located.

A Local Night. Tuesday evening, Nov. 29th, will be a purely local night at the Opera House as on that date there will be an amateur theatrical performance by our local organization, the Bohemian Dramatic Club, under the management of our local director Mr. Will A. Walsh. The bill to be presented is a pretty four act play entitled "The Broken Link." It is an interesting story of modern home life, pure in tone and healthy in sentiment, there are no rough characters nor anything of the blood and thunder order, nothing spectacular, but a heart interest which will appeal to ones best nature and send them home feeling better for having seen the performance. Then the new Opera House orchestra, all local people, will make their initial bow to the public. Everything under the auspices of that well known local organization, the Fredericton Curling Club. Secure your seats early at Ryan's drug store. Plan opens on Thursday, 24th, at 10 o'clock.

The Bijou. Those going to the Bijou today should attend early as this programme is extraordinary and last night on account of the large crowds many were unable to secure seats. Last chance to see Actor's Fund Field Day. The Bijou have completed arrangements whereby in the near future they will secure films from all leading manufacturers including Vitagraph, Lubin, Pathé, Kalem, Biograph, Essany and Selig.

BOARD OF TRADE WILL DONATE FIVE SCHOLARSHIPS

President Authorized to Pledge \$100 For the Summer School of Science

SMALL ATTENDANCE AT COUNCIL MEETING

That is Why the Other Important Matters Were Not Taken up Last Night

The Fredericton Board of Trade will give five scholarships of \$20 each for the Summer School of Science which will be in session here for six weeks or so next summer during the months of July and August. It is expected that the holding of the Summer School of Science here will bring at least 200 visitors to Fredericton and upwards of fifty of that number will probably come here from the New England States. The sessions will be held in the Normal School building.

President Starrett of the Summer School has written to Mayor Thomas that it is hoped to have Premier Hazen deliver an address at the opening of the school and Lt. Governor Tweedie to present the prizes at the closing exercises. Last evening the Board of Trade council considered the matter and Mr. T. B. Kidner, the provincial director of manual training, who is acting as local secretary of the Summer School, urged upon the members of the council the advisability of granting a number of scholarships. Owing to the small attendance the question of the city's electrical service and other matters which were to be taken up were not touched upon.

ST. DUNSTAN'S FALL FESTIVAL OPENED

Large Crowd Spent Their Money Freely at St. Dunstan's Hall

The Fall Festival conducted by the congregation of St. Dunstan's Church, in aid of the new Roman Catholic school building, opened very successfully in St. Dunstan's Hall, Regent street, last evening. The building was elaborately decorated for the occasion, the place was crowded with people during the entire evening, money being freely spent to help swell the funds for the new school building. The Fredericton Brass Band orchestra furnished an excellent programme of music during the evening.

Much credit was expressed for the energetic pastor, Rev. F. L. Carney, and all those who assisted him in making the opening night of the affair such a grand success. It was announced that the Fall Festival will continue throughout the week, closing on Friday evening. The prize winners last evening were: Bean Toss—1st prize, chair, Mrs. Randolph Cox; 2nd prize, fancy cake, C. Andrew Farrell.

Large bagatelle—1st prize, fancy cushion, Edward Hurley; 2nd prize, caddy of tea, Thos. L. Morris. Small bagatelle—1st prize, carving set, Thomas Murphy; 2nd prize, ice cream freezer, Mrs. William Shaughnessy. A novel feature introduced last evening was the Chinese Laundry, the leading prize being a Morris chair, which was won by W. E. Farrell. The principal prize in The Chinese Laundry this evening will be a barrel of flour.

A RECORD CARIBOU.

Ohio Sportsman Got It Near Doaktown—Two Moose, Two Caribou and Four Deer for Two Men.

Two of the most successful sportsmen who have passed through the city this season are Messrs. J. C. Cummins of Cincinnati, Ohio, and Mr. Herman Hay of Prenton, Ohio, who had a most enjoyable hunt with Mr. Horne Dickson and Harry Russell, of Doaktown, as guides.

They both got their full supply of big game, Mr. Hay also getting what is generally conceded to be the best caribou killed in New Brunswick this season, the antlers standing 41 inches high with 26 points and spreading 38 inches. In addition Mr. Hay also got a moose with antlers spreading 58 1/2 inches as well as two fine buck deer. Mr. Cummins was equally fortunate, although neither his moose or caribou were as good specimens as those taken by Mr. Hay. The moose shot by Mr. Cummins had antlers spreading 55 1/2 inches, while he also got a fine caribou and two buck deer. "New Brunswick is the greatest big game country in North America," declared Mr. Cummins to the Gleaner while in the city. "I have hunted in all the states west of the Mississippi river and I have never struck anything to equal this country. On our trip we saw 17 moose, 24 caribou and 22 deer."

Help Up by the Ice.

The tug "Ann" Currier, owned by Mr. Martin Currier of Orancton, started from here at 8 o'clock this morning with a covered barge and quite a number of passengers on their way to Fredericton. The ice proved to be so thick that when the tug reached Sewell's wharf she had to be pointed back. Some of the passengers drove out to Waasels and reached here by the noon train.

U. N. B. SENATE HOLDING ANNUAL MEETING TODAY

Cost Almost \$25,000 to Conduct University During Past Year

DEFICIT AMOUNTS TO LESS THAN \$400

Reports of Professors Are Being Heard at University This Afternoon

The annual meeting of the Senate of the University of New Brunswick was held this morning at the Board of Education offices. Dr. W. S. Cartwright, chief superintendent of education, presided, and the members present were: Judge McLeod, Dr. W. W. White, Dr. Thomas Walker, Dr. H. S. Bridges and W. J. Jones, B. C. Foster, J. D. Phinney and Registrar Coy, of Fredericton. The principal business taken up was the consideration of the accounts of Registrar Coy for the past year. They showed an expenditure of \$24,955.18, with \$24,589.13 receipts, making a deficit on the running expenses for the year of \$366.05. Of the receipts \$8,370.93 were fees from students, the grant from the Provincial Government amounted to \$13,844.48, and the balance of the income was from interest on investments and rentals of University property. The committee to wait upon the Provincial Government and urge increased assistance to the University were continued and will ask for a hearing before the government at an early date. Chancellor Jones was authorized to tender a reception to the Summer School of Science, which will meet here next summer, thus having the University officially recognize the presence of so many educationists in the city.

A communication suggesting that the University place a tablet with its motto in the proposed tower to be erected in Nova Scotia as a memorial to the fathers of responsible government, was referred to the Provincial Government.

At noon the Senate adjourned to meet this afternoon at the University building to hear the reports of the members of the faculty with recommendations as to the ensuing year's work.

WILL INCREASE BUSINESS PHONES' RENTAL IN CITY

Old Contracts Will Have to be Renewed Soon at the Increased Rates

BUSINESS PHONES WILL COST \$30

All New Business Since Last Winter Has Been Written on the New Rates

That the New Brunswick Telephone Company is about to increase the rate for business telephones in Fredericton from \$25 to \$30 per annum is the statement which was made to The Gleaner to-day from an authoritative source.

In fact, The Gleaner's informant, a local professional man, stated that already his firm had been given notice of an increase in their rate, to become effective the first of the year, and that they were notified that a new contract calling for the increased fee would have to be signed before the firm name would appear as desired in the new telephone directory which will be issued shortly after the first of the new year.

Mr. Stanley Ebbett, the manager of the Fredericton exchange, when asked about the matter this afternoon, said that all new business since last winter had been under the rate of \$25 for residence phones and \$30 for business phones; but as to how soon all old business would be changed to those rates he was not in a position to say.
