MEN'S FURNISHINGS A SPECIALTY. MRS. D. SUTHERLAND,

NEWCASTLE.

Newcastle, July 22nd, 1895.

Dominion Parliament.

(Continued from first page.)

On motion to go into supply Mr. rose to ask for a division. Lurier discussed at length the point of Five being necessary, the speaker there to separate from his colleagues in the ations in regard to the question are calcu- Saturday afternoon and at the latest on lated to promote a dangerous agitation Monday.

a nongst the Canadian people.'

It being six o'clock, the speaker left the chair.

After recess Mr. Foster replied effectively to Mr. Laurier, and on the vote being great of the contract already may 114.

After recess Mr. Foster replied effectively to Mr. Laurier, and on the vote being great of the contract already may 114.

Ottawa, July 16.—On motion to go into supply, Mr. McCarthy rose and said he proposed to ask the bouse to discuss the school question on its merits, and proceeded to do so and at the close of his remarks moved the following amendment: 'That this house has heard with regret the statement recently made defining the policy of the government respecting, the Manitoba school question and is unwilling by silence to allow it to be assumed that at the session in the proceeded to be assumed that at the session in the proceeded to be assumed that at the session in the proceeded to be assumed that at the session in the proceeded to be assumed that at the session of great importance which they desired to bring up, but as a finance of the treme months' hoist was defeated by pilt to 7.

The three months' hoist was defeated by pilt to 7.

The three months' hoist was defeated by pilt to 7.

The sestemants are anything by silence to the transport of the proceeding of the government respecting the Manitoba school of the sum of the proceeding the policy of the government respecting the Manitoba school of Manitoba on the lines of the premise along the proposed of the great in the present ession it is prepared to pass a law to restore the system of separation of the second of Manitoba on the lines of the premise along the proposition leader would him to proceed to the proposition leader would have to adjourn those matters unity the sent of the premise along the proposition bearing the proposition bearing the proposition bearing the proposition to take parate who are more than any three to the transport of the premise the proposition leader would have to adjourn those matters unity the sent of the premise proposition of the premise the propositi

difference which led Hor. Mr. Angers upon declared the amendment negatived. made of the material that the hon, gengovernment and moved as an amendment said in view of the state of the order about it he had better take care. that this house regrets the failure of the paper he thought possibly the leader of government to deal with the Manitoba school question in a manner demanded by the best interests of the country, and is of opinion that the ministerial declar- Saturday prorogation could be reached ing here.

rate schools of Manitoba on the lines of the remedial order of 21st March last.'

Sir Charles Tupper replied, and the subject then dropped.

Mr. Foster remarked that he did not think the opposition leader would find the measure a troublesome one. The subject then dropped. discussion continued until 1 a. m. when The house agreed to meet at ten to

morrow, and adjourned at 11.20.

into committee on the tariff items of which Hon. Mr. Foster gave notice last Mr. Edwards opposed the duty sawn boards, tongued and grooved.

ause the United States government had niured the consumer it was no reason same mistake. Speaker White approved of the action of the government and hoped it might lead to reciprocity in this particular

Sir Richard Cartwright opposed the

Hon. Mr. Foster said as to lumber, parliament last session went as far as the United States had gone, but a decision had been reached as to the item under onsideration by the United States board the house simply placed the Canadian manufacturer on the same level as in the Neguae, Church Point and intermediate places, arriving in time at Chatham to witness The GRAND STREET PARADE on the morning of the Big Show Special trips will be made to United States. The government wisher NEWCASTLE greatly Reduced Rates will be offered. Boats will leave immediately after the NIGHT performance for all points.

similar preparations reduced from 35 to

The house spent all evening in con-arrence and adjourned at 9.30 p. m. Ottawa, July 20-There was a very Both morning and afternoon sittings were devoted to the discussion of the Hudson Bay railway bill, which wa brought up in the morning in the form of a resolution. It was vigorously debated and ruthlessly altered, notwithstanding the absence of the automatic loquer ce of Sir Richard Cartwright, wind headed the retreating squadrons west ward the night before.

The third reading of the bill having been moved in the afternoon, Mr. Mills (Bothwell), raised the objection that the bill should have been introduced by pe-

Sir Charles Hibbert Tupper pointed out that the bill merely provided for a rerrangement of subsidies and was thus a neasure which a private member could Mr. Laurier argued that the bill au-

horized the company to utilize another route than that provided in the original A BRASS BAND will furnish music f act. In this way the rights of the bond holders would be affected. Precedents were quoted in support of

the proposal to pass the bill as it stood, but after a long debate the speaker ruled that the objection to the change of Icca ion as constituting the bill a private leasure, was well taken. As this was dealt with in the third

clause, the offending section was dropped and the bill, as amended, passed through Carpenters, ts final stage in the commons Then after some talk on the Portage la Prairie post office site, the house adjourned until Monday morning to await the

THE SENATE. The fifth session of the seventh par ament would have come to an end be ore six o'clock Saturday evening but for nation of the opposition in the nate to obstruct the passage of Hudson Bay tailway bill, which in emaciated for u ons early in the afternoon.

Sir Mackenzie Bowell having moved Magnificent Picture with Massive Frame. the first reading, the trouble was begun by Senator McInnes (Hamilton) moving the three months' hoist.

In vain the premier protested that the objectionable features as to change of ocation had been eliminated in the com-

'Is it not a fact,' said Senator Scott that the government were going to lend this Company \$2,500,000, and because not dare do it? At that time they in ended to have a general election, and ome people are wicked enough to say, though I would not, that the government had an interest in it; that they were going to share the spoils with the promo
