Miss Ruth McDermond, Wimping, entertained a jolly group of seven tables at bridge in honor of Miss Hillman, of this city. Mrs. Richardson also gave a bridge party in honor of her sister and guest, Miss Hillman.

"I don't know where you are going to get the money," said the Mayor with a happy smile. "Save it on the snow cases," was the knockout blow the Magistrate delivered, the adding of ten new men even though the chief did not want to put them on till the last six months of the year was too much for all of them. The Mayor said that 20 men in two years was too fast a gait for the Chief to travel, and the item was cut out. The estimates passed at \$77,245. There was some discussion as to obtaining a suitable spot for the new patrol station as most of them wanted to sell the Napier street property and buy farther west. Nothing was done.

The Magistrate announced William Huckle, private detective, had approached him with a petition which was spoken of in the Times yesterday. He said he did not think they should take it up.

A letter was received from Dr. Roberts stating that Constable Canary was still unfit for duty. Judge Snider said this was not what was wanted. The Commissioners wanted to know if he would be able to come back at all, and Judge Snider was very emphatic in some things he said. "Don't you think we should get another medical examiner for the force?" he asked. "This man has not done what we asked."

Magistrate Jells asked if Dr. Roberts had examined Canary and received the standing answer that he had not. "He had him up here at once," said Judge Snider. The doctor was not in his office, but will be notified to attend the next meeting.

Mrs. Erskine asked for an increase in salary. She is caretaker of the station and thinks she ought to get a better salary than \$12 a month. Her request was turned down.

COLLINS CASE.

Additional Evidence That Collingwood Played a Professional.

Mr. R. C. Ripley yesterday wired to Mr. J. Dickson, manager of the professional hockey team at Ottawa, to interview Taylor, one of the players, in regard to Collins, of Collingwood, Mr. Hudson stating that Taylor could corroborate testimony that Collins became a "pro" at Portage la Prairie in 1903. Mr. Dickson wired back that Taylor had taken an affidavit that Collins is a professional, and that the document had been mailed. As soon as it arrives Mr. Ripley will send it to Secretary Hewitt, of the O. H. A. The affidavit made by Hudson yesterday has been sent to Mr. Ripley, and the officers of the Hamilton Club are confident that the Collingwood games will be thrown out, and that Hamilton will again be in the running for the championship.

In protesting Collins, Mr. Ripley was acting on the instructions of the Executive Committee of the Hamilton Hockey Club.

JAP IMMIGRATION.

Japan Agrees to Further Restrict it to United States.
Tokio, Feb. 19.—The memorandum of the Japanese Government in reply to that of the United States on the subject of emigration, mentioned yesterday by the Associated Press, was handed to the Japanese government today. It is understood that it agrees in general terms with a number of suggestions made by the American government and requires a further restriction of emigration by the practical prohibition of laborers. The Japanese government pointed out that the restrictions already enforced, including the closing of emigration to Canada, Mexico and the Hawaiian Islands, will make further complaints from America almost impossible.

TWO ACCIDENTS.

Joseph Noble and Gordon Jones the Victims.

Joe Noble, 22 Rebecca street, was brought into the city from the scene of the work on the B. & H. Railway this morning and taken to the City Hospital. A piece of stone dislodged by a blast struck him behind the knee and passed right through his leg. It is thought the leg will be saved.

The storm prevails throughout the upper lake region.

WILY RASCAL.

Sent to Jail for Swindling a Lot of Italians.

Toronto, Feb. 19.—H. Chapman, who recently swindled a number of Italians out of sums ranging from \$7 to \$15 on a smooth story of securing work for them at Queen's University, was to-day in the Police Court sent to the Central Prison for thirteen months. The men, Chapman promised, would get \$2.50 for working only two hours a day, while they would wear a smart uniform and have the use of the library and all the comforts of home. Chapman swore them to an agreement, acting himself as notary, and then examined them in his capacity of physician. After getting the money Chapman left for Detroit, but was captured at London. He pleaded not guilty at the preliminary investigation, but to-day changed this to one of guilty.
