CADET CORPS IN GOOD SHAPE.

ONE OF THE BEST COL. GALLOWAY HAS YET SEEN.

Quite a Large Gathering Watched the Inspection at the Collegiate Institute Grounds.

The annual inspection of the Collegiate Cadet Corps took place yesterday afternoon at the Collegiate grounds before Col. Galloway, district staff adjutant, Toronto. The colonel congratulated Drill Instructor Syme, the officers and the boys on their excellent appearance and their general work, and said the only thing he was sorry for was that he could not tell them they were the best corps he had inspected, but, as he had inspected most of the cadet corps in the province, this he said, did not count much against them, and they were one of the best he had seen. They were well up in their drill, but needed more practice, he said. He had a good word to say in regard to the uniforms which they turned out in. They are serviceable, and look more soldierly, he said, than any he had seen yet. The corps turned out sixty strong, with ten signallers, and were under the command of Captain Medlen, Lieutenant Ireland and Lieutenant Stevens. The signal corps was under the guidance of Corporal Fearman.

The inspection was watched by a large crowd of the pupils from the Collegiate and large numbers of outsiders. Among those present on the grounds were Col. E. W. Moore, Major Ross, Major Lester, Sergt.-Major Huggins, and Dr. Carr, of the School Board. Allan Studholme, M. P., was present also, and viewed the manoeuvres of the 125s with an enthusiastic eye.

DEATH OF MRS. SHAW

Matron of Boys' Home For 32 Years.

Mary Shaw, relict of the late Captain Shaw, passed away at the Boys' Home last evening, aged 68 years. Deceased was born in England, and had been matron of the Boys' Home since the founding of that institution, 32 years ago, and had endeared herself to the children there by her kind and gentle ways. Her demise will be sincerely regretted by all who knew her. The funeral will take place on Saturday morning at 11 o'clock to the T. H. & B. station, thence to Mount Pleasant cemetery, Toronto, where the interment will take place.

George Hughes passed away yesterday afternoon, aged 71 years, at the residence of his son-in-law, Mr. W. W. Turnbull. Deceased has been a resident of Hamilton for 25 years, and was well known and highly respected. He is survived by three daughters. The funeral will be held on Saturday at 3.30 o'clock.

The remains of Nema Grace Winnifred, infant daughter of Mr. and Mrs. G. Bailey, were laid at rest yesterday afternoon at 2 o'clock, the funeral taking place from the residence of her parents, 143 Homewood avenue, to Hamilton cemetery. Rev. T. MacLachlan officiated at the house and grave.

SOLD SHORTHORNS.

Hendrie Stock Brought Fair Prices Under Hammer.

The sale of shorthorns from the estate of the late Wm. Hendrie took place at the Union Stock Yards, Toronto, yesterday. Auctioneers Jackson and Robson did the selling, and in spite of the rather slim attendance and the low flesh of some of the animals, made a creditable sale.

The chief buyers were Col. Robertson, of Toronto; J. M. Gardhouse, of Weston; Israel Groff, of Alma; John Gardhouse, of Highfield; Fred Rowntree, of Weston; J. A. Kidd, of Cookstown; Peter Coats, of Egerton; W. J. Hodgins, of Hazeldean, and A. E. Myers, of Guelph.

The highest price was paid by Mr. Myers for a 3-year-old heifer at \$100. Cows ranged around the \$100 mark, while 2-year-old heifers sold for \$60 to \$100. About an average of \$80 was reached for all.

STRAWBERRIES.

Large Crop In Sight But Rain Is Needed.

St. Catharines, June 11.—The strawberry crop in the Niagara district is the best in many years and growers' expectations are unusually good. The crop is ripening in excellent shape, but the district has had no rain since a week ago Sunday and some fears are expressed that if the weather continues dry considerable loss will follow. Despite the heavy crop, prices promise to remain good. This is caused by the fact that early in the season the canners contracted for large supplies at \$1.50 a crate and growers are setting prices by that standard, although it is also claimed that no more than \$1.25 will be paid even at the retail price.

To-day boxes brought ten cents and the demand was quite brisk.

BAIN-FLETCHER.

The marriage of Miss Gertrude Fletcher, of Toronto, a graduate of the Western Hospital, and Mr. Lewis Bain, manager of the Home Bank, Belle River, Ont., was very quietly celebrated in Hamilton yesterday morning by Rev. Dr. Fletcher, a cousin of the bride. Mr. and Mrs. Bain driving directly to the station. After the honeymoon trip to Buffalo and Detroit, they will take up residence in Belle River.

FO CONSOLIDATE.

At Osgoode Hall yesterday, in Kent vs. Township of Nelson, J. W. Elliott, K. C., for defendants the Township of Nelson, moved for orders for direction as to trial of third party issues. E. H. Cleaver, Burlington, for plaintiffs, J. E. Jones for third parties. Order made for consolidation of actions. All questions as to costs of consolidation to be disposed of by the trial judge. Usual order granted as to third party notice.

WRITER DEAD.

Mt. Vernon, N. Y., June 12.—Col. Wm. Lott Stone, writer on American spiritual subjects, is dead here, aged 75 years.

AMUSEMENTS

The Summers Stock Company will close its engagement at the Savoy this week and will no doubt draw big business at both performances, as it is practically the last opportunity theatregoers will have of enjoying high class entertainment at popular prices in the Merrick street playhouse until the opening of the vaudeville season in the fall. "A Gambler's Wife," a four act melodrama, is the attraction this week, with clever specialties between the acts.

Minstrels To-morrow.

Richards and Pringle's minstrels will hold forth at the Grand to-morrow afternoon and evening. Some of the funniest men on the minstrel stage are to be heard with this organization, and a first-class olio will specialties right up to the minute are promised. This organization is one of the best known on the road, and at the prices will please patrons. It has been in existence over 30 years. A strictly refined performance is promised.

FOR CHIEF RANGER.

H. A. Collins a Candidate Against Stevenson.

Harry A. Collins, supreme treasurer of the Independent Order of Foresters, past supreme potentate of the Nobles of the Mystic Shrine in America, and similarly distinguished in almost every society of note in the continent, has announced his candidature for the supreme chief ranger of the I. O. F., in succession to the late Dr. Oronhyatekha, and in opposition to Elliott G. Stevenson, who has accepted the position since the late chief's death.

The Supreme Court meets on Tuesday, and the election takes place on Wednesday, so that the campaign will be short.

The chief issue before the court will be the increase of rates, which is strenuously opposed by the older members as unfair to them.

According to the Elizabeth, N. J., Daily Journal, "There appears to be a growing tendency among older members of the I. O. F. to establish the Supreme Court of the order in the United States, and Newark has been suggested as the most suitable place for the headquarters, as that city was where the organization was instituted."
