

Married,

On Thursday, the 7th inst., by the Rev. F. Metherell, at the residence of the bride's father, Mr. Robert Wilson, late Sergeant of 93rd Highlanders, to Mary Ann, fourth daughter of Mr. Ford, sen., of New Glasgow Road.

Died,

On 16 Feb. after a lingering disease, Mr. Duncan Nicholson, of Long Creek, West River, aged 61 years, much and deservedly esteemed by all who knew him. His end was peace.

As will be seen in another place, we acknowledged the receipt of the English Mail on Thursday night. At that time, a bag of London Papers was left behind; they were received, however, next morning, having been brought by the Couriers who had taken over Lt. Col. Gray, and who had made the passage over and back the same day.

To William Bagnall, Esq. Sheriff of Queen's County.

WE, the undersigned Inhabitants of the City of Charlottetown, do request that you be pleased to call, at your earliest convenience, a Public Meeting, to take into consideration the necessity of petitioning the Legislature to repeal the "Act of Incorporation" in the ensuing session.

Great English Remedy!

The most valuable Spring and Summer Medicine in the World:

Dr. Halsey's FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine in the World.

Medicine containing molasses or liquorice, like the boasted Sarsaparilla, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no sugar to give it consistency, but acquires its excellent flavor and powerful medicinal properties from the vegetable plants of which it is composed.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health.

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J. Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with dropsy, piles and asthma. My Physician had given me up as past cure, and my family had lost all hopes of my recovery.

Newark, N. J., Dec. 19, 1847. GREAT CURE OF LIVER COMPLAINT OF TEN YEARS' STANDING.

New York, January 9th, 1848.

Dr. Halsey—Dear Sir,—Having taken your Forest Wine and Pills to remove a disease of the Liver from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicine, I have recovered my health, notwithstanding all who knew me thought my case incurable.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorder.

PHILADELPHIA, September 7th, 1848. Mr. G. W. Halsey—Dear Sir:—Your Forest Wine and Pills have cured my wife of a dreadful nervous disorder with which she has been affected for many years. Her body was almost wasted away.

Dr. David Harris, a celebrated practitioner of New York, declared publicly that one bottle of Halsey's Forest Wine contained more virtue than fifty of the large bottles of Sarsaparilla.

it is an excellent and good medicine, and will undoubtedly become the leading medicine, of the day.

The Forest Wine is put up in large square bottles with Dr. Halsey's name blown in the glass, \$1 per bottle, or six bottles for \$5. Gum-coated Pills, 25 cents per box.

NATURE OUTWITTED!!

Dr. Antrobus's Persian Hair Restorative,

AND HAIR DYE

Under the immediate Patronage of the Princes of Persia and India.

These articles are without doubt the most extraordinary in their powers ever submitted to the Public, and require but to be tried, to be appreciated, admired, and continued.

The RESTORATIVE strengthens the hair and prevents it falling off after every other means have been resorted to unsuccessfully; it cures baldness and creates a natural curl, and by its use, myriads of persons of both sexes are indebted to having a good head of hair at the present moment.

The qualities of the HAIR DYE are decidedly superior to any thing of the kind ever attempted and the whole surface of the head can be changed into a most natural black or brown, within five minutes after using it, so as to defy detection from the greatest connoisseur.

Copy of a Letter from Dr. Magrath, M. R. C. S., dated Duke Street, Adelphi, London, the 17th January, 1854.

To Dr. Antrobus, Sir,—I feel great pleasure in attesting the virtues of your Persian Hair Restorative.
