#### FEETHING DADIES Thousands of Thom Die Every Summer.

When the baby starts to cut its teeth hen is the time the poor mother is inder the stress of great anxiety. For me reason or other the bowels become oose, and diarrhoea, dysentery, colic, plaints manifest themselves, the gums ecome swollen, cankers form in the mouth, and in many cases the child wastes to a shadow.

When the child gets into this conition the bowels must be very closely looked after, and for this purpose w know of nothing to equal Dr. Fowler's Extract of Wild Strawberry.

This sterling remedy has been used for teething babies for the past 75 years, by thousands of Canadian mothers who swear by its efficacy, and there is no mother but should keep a bottle of it Mrs. Gordon McCurdy, Falum, Alta. rites:—"I have five children and they ave all had summer complaint, especialwhile teething.
