ANSWERS TO SPHINK.

"Haw her And Mana, the little was the live in each smit and shed an she Mana."

A brave young man in a neighboring town, says an American exchange, got patriotically intexicated the other might, and while in that condition resolved to aronge Custer's death—and nort morning not one sound wooden Indian could be found in the pisce.

Onsen Victoria lately sent £3 to a little boy who had been run over in the streets, and a writer says that since this incident was made public, the London cab-drivers have found it impossible to start through the city for the crowd of small boys waiting to be run over.

Mr. Bulger bought his first thermome-

. small boys waiting to be run over.

Mr. Bulger bength his first thermometer last week, and having read that when a thermometer was under 75 the weather was very pleasant for comfort, he pasted a big "75" on the wall, and hung his weather Indicator under it. But it didn't do a bit of good, he says.

In re private theatricals, the following extract from a fair correspondent's letter will be found interesting: "Of source, deer, no one, would be the

'as bin hexecuted frying steak in the markot-place in ruins.'"

TREE AGENTS. representing A merican muscries are canvanting through the country now with their fancy plate books and fruit in jars. The latest dedge is to tell the simple farmer that they represent some Canadian frue, as they and the public generally repudiating American trees from these "flying" agent. We have often warned the public against these frauds and again repeat our warning mot to deal with any, no matter how fine the story they may tell, but some focal and responsible party to whom you and look in case your stock falls to come up to the representations. Do not be carried away by fine pictures A Superior Farm for Sale. For Sale Cheap.

be doing a duty, and doing the best for yourselves.

Linz is not expensive and yet it is hard to find a gardener who makes use of it at all, although it is well known as a good fertilizer and also as a destroyer of many troublesome and destructive insects that infest all our cardens. If applied by dusting over trees, bushes and plants it will destroy many of these insects especially in their layer stages. "Buo" asks if there is any fossior brid "that would be willing to forsake all other food for potab bugs." You might try the pes fow, it is said to have a particular liking for the Colorado bug. Crows will probably destroy more bugs, caterpillars and other noxious insects For Sale Cheap. WEST 100 acres of Lot one, Western Division, Ashfield.
