Silver Plate that Resists Wear
Are You Renewing Your Silver ?

Table Silverware should be looked to and renewed just the same as the rest of the dining-room.

HAVE YOU LOOKED TO YOURS?
Examine it and see if the metal on the backs is exposed, or are the bowls of the spoons streaky or the tines of the forks gone at the tips. If they are, discard the bad pieces and replace them with Silver that is wear proof, that is, with

1835 R. WALLACE.
A small sum spent now will add beauty and brightness to your table appointments. You can see three dainty patterns in Plate and two in Solid Silver at the

The Home of **FASHIONABLE REFINEMENT!**

The business which has successfully catered to the wants of men of style and good taste for three years past has been moved to more extensive quarters

AT

312 Water St.,

NEXT TO MR. P. J. SHEA'S.

We had to move to a larger building to accommodate the legitimate and natural expansion of the business. It would be unfair to our patrons and ourselves to remain in quarters that were cramping us more and more every day. We have spared no expense in fitting up our new location, which is a fitting abiding place for the home style and correct taste.

As usual our stock will appeal to men of refined taste in garbing, and we will show nothing shoddy, nothing off style. We need not enumerate our lines, they include everything for men's and boys' wear. Old patrons and new friends will be welcomed to our opening to-morrow.

NEW DESIGNS IN BRASS BEDSTEADS.

OUR last shipment of Brass Bedsteads is without question the most attractive we have ever received. We are always improving our stock in this line, quaint and handsome designs are continually being added, and our recent shipment of 1914 models are perfect in every detail, both of design and workmanship.

Of beautifully wrought Brass, with massive square or round pillars; highly polished, or with the new dull "Veris Martin" finish that is this season's craze, these Bedsteads add a touch of quiet elegance to the severest bedroom. All these Bedsteads are supplied with fine quality tested Springs, and Hair or Wool Mattresses if required.

Moderate Prices.
