WHAT MEAT?

That is a secondary consideration. The first question is, what butcher? You are not sure of getting a fresh, tender, juicy steak from an unreliable butcher.

YOU MUST BE SURE.

If you are sure of your butcher you are sure of your meat. Our customers rely on us for better choice, down to the last ounce of meat, even if that ounce is overweight.

1,600,000 Russians

Are Proceeding Unmolested Towards
Cracow—Russian Officer Explains
German Success in Poland.

The Hague, November 19.—A Russian staff officer, passing through here has this to say as to the cause of the present German success in Poland:

"The Russian army in Poland maintains three times as many cavalrymen as the Germans. This cavalry swarmed after the retreating Germans and when the Germans suddenly stopped to pieces like migrating birds flying against a rock.

Meanwhile the main body of the Russians, 1,600,000 men, whose absolute purpose is to beat the Austrians decisively, is proceeding unmolested to attack Cracow, leaving a smaller detachment to besiege Przemyśl.

"Thereafter," the officer concluded, "the Russians do not intend to attempt to cross the Carpathians, but following the Oder River will make their main attack on Germany by way of Oppeln, Breslau and Glogau."

Too Much Hospitality.

A despatch from Ottawa says: Too much British hospitality and too much fire water taken by some of the Canadian troops while on leave from camp in London or elsewhere has resulted in fifteen privates being dismissed from the ranks. Word to this effect was received at Ottawa yesterday and the pay of the men has been stopped by the Militia Department. It is also stated that in a few cases Lieutenants have been reduced in rank to Sergeants for the same cause.

General Alderson gives the following message to London journalists:

"Ask the public to stop treating the Canadian soldiers, or I must stop giving them passes. This is the sequel to certain unpleasant scenes in London streets, one of two of which ended in the police courts."

Have You an Itchy Spot?

Somewhere on your body? If so, attend to it at once. In Eczema—and itchy spots, whether dry and scurfy, or moist and inclined to "weep," are generally eczematous—delays are foolish, allowing the disease to spread and affect more of the good skin. Your best chance for a cure is to use Zylex, which will give almost instant relief, and if used in the earlier stages of the trouble will almost certainly bring a cure, and in any event will greatly ameliorate the trouble. Ask your druggist about it. Price 50c. a box. Zylex Soap, 25c. a cake. ZYLEX, London.

Explains Report of Big Russian Warship Mined.

New York, Nov. 28.—Trapped by a "planted" fake story stating that the Russian battleship Flaba has been "blown up" with a loss of about 450 lives, H. L. Linder, a telegraph operator in the office of the New York Globe, was arrested yesterday on the complaint of the Associated Press.

It was charged that Linder sent the fake bulletin to the New York News Bureau, a ticker agency. This agency delivers its service to other newspapers and press association offices in New York.

When Linder was arraigned before Magistrate House, the case was continued until December 1, and Linder's bail was fixed at \$5,000.

Attorney John K. Clark, for the complainant, said: "I suggest that \$5,000 is not a bit too much bail. This is a serious case. It is unique. Linder may not be the chief culprit. He has made a full statement but he may have more to tell us later."

L. O. A. Meeting.

Last night the annual meeting of Leeming Lodge, No. 54, L. O. A., took place at Victoria Hall. Major Cave, W.M., presided, and there was a large attendance, including several Grand Masters. The reports submitted showed that the finances of the institution were in a healthy state, the lodge, including the hall and effects, having large assets and practically no liabilities. The report of the Trustees showed that after paying for extensive repairs effected, there was a large balance on hand. Equally favourable was the benevolent report.

Provincial Grand Master Bro. Hon. R. A. Squires then conducted the election of officers, which resulted as follows:—

W.M.—Bro. W. H. Cave.
D.M.—Bro. H. V. Hutchings.
Chaplain—Bro. Rev. H. Royle.
Rec. Sec.—Bro. Geo. Rabbitts.
Fin. Sec.—Bro. W. K. Mercer.
Treasurer—Bro. J. C. Puddister.
1st Lecturer—Bro. T. Noseworthy.
2nd Lecturer—Bro. O. Spence.
D. of C.—Bro. John Snelgrove.
Committeemen—Bros. Geo. Reid, Herbert Fry, Az. Piercey, Fred Noseworthy, Stephen Thistle.

The Benevolent and Trustee Committees were re-elected while Bro. M. Puddister was added to the Trustee Board. Bro. Dr. W. Roberts was elected as Hon. Surgeon.

On next Thursday night the installation of officers will be held. Recently the members of the Lodge had the pleasure of listening to some excellent and interesting addresses on the war situation, which subject the members are becoming so much concerned over that it was decided to have a series of patriotic meetings with special speakers. The first meeting will be held next Thursday evening and all Orange brethren will be invited. The speakers will be Bro. Rev. H. Royle and Bro. H. E. Cowan.

A great many members of the Lodge went with the First Newfoundland Regiment and some are in the Naval Reserve, while a goodly number have also signified their intention of going with the Second Contingent. The Lodge is giving all these members a Christmas gift as a memento.

Doctors and Gas Fires

In an article which recently appeared in the London "Evening News," Mr. W. G. Faulkner stated: "In making my inquiries I discovered one significant fact. This was that one company—the Gas Light and Coke Company—had among their consumers 2,500 doctors who had gas fires installed in their houses, some as many as ten or a dozen; that 1,500 of these doctors had become users of gas during the past three years; and that not one had ever given them up."

Professor C. V. Boys, F.R.S., says, in the "Standard": "Sentiment and inertia are the only obstacles against the general adoption of gas fires and cooking appliances. Wonderful strides have been made, in spite of deep-rooted prejudice. A gas fire, burning with a blue, is an admirable agent for heating a room; and, as a scientist, I fail to understand how such a gas fire dries the air in a room more than any other fire."—Nov 17, if.

To-day's Show at the Crescent.

To-day's show at the Crescent Picture Palace is one of the top notch-ers usually shown at this popular house.

"Slim Gets the Reward" is one of the Slim Comedy series, a lively western story with all the Frontier Comedy Company.

"The Great Jewel Robbery" is a big comedy hit; the Powers Company who produce this are favourites in subjects of this kind.

The usual extra pictures at the Saturday Matinee. The Crescent will open next week with the biggest and best two reel feature they have ever shown, "A Stolen Identity," Edwin August, the great actor, features in this drama.

That Terrible Fatigue Can Be Overcome

A Simple Home Remedy Now Cures Lack of Energy Loss of Ambition and a Feeling of "Don't-Care."

Successful in Nearly Every Case.

That miserable nervousness and half-sick tired-all-the-time condition is due nine cases in ten to a clogged-up system. You grow irritable and dependent you lack ambition, energy seems all gone. Surest road to health is by the frequent use of Dr. Hamilton's Pills; they will make you feel like new all over in a short time. Writing from his home in Barcelona, Mr. Frederick G. Mayer states: "I think no one ever suffered as severely as I did for nearly six months. So many serious symptoms were developing as a consequence of this evil condition of my system that I realized I must find a remedy. The strong pills of various kinds I tried seemed after their first effects were over to make me far worse and I did not know which way to turn for relief. I saw Dr. Hamilton's Pills advertised and the first box used satisfied me. I found a true remedy. Instead of griping with undue activity, Dr. Hamilton's Pills acted as naturally as if physic had not been taken. I never had to increase the dose and, indeed, within a month I reduced it, and when the system finally acted of its own accord as a result of Dr. Hamilton's Pills, I took a dose twice a week only, just to make sure the old conditions would not come back."

No other remedy cures constipation and biliousness so easily or safely as Dr. Hamilton's Pills; they are an ideal family remedy for all diseases of the stomach, liver and bowels. Sold in 25c. boxes, five for \$1.00, all druggists and storekeepers or The Cattaraugus Co., Buffalo, N.Y., and Kingston, Canada.

Big Features at the Nickel.

In the Grip of the Vampire—Three Reels.

Another Gaumont special feature will close the banner week at the Nickel Theatre. It is in three reels and has been pronounced an exceptionally brilliant one. It is a beautiful heart-interest story of love, romance and adventure. The title is: "In the Grip of the Vampire." By the terms of the will of the Marquis de Rambeau his niece is heir to an immense sum. In the event of her death or becoming insane the money goes to Count Roderick. He asks her to become his wife but she refuses. He then plots to get the money by foul means. The plot is a powerful one with thrilling and sensational episodes. See how it works out. The scenes are laid in the picturesque Edoir cliffs of Brittany.

Do not fail to hear Arthur C. Hinkins sing Ernest R. Ball's latest ballad: "Who Knows," and by special request "The Rosary."

To-morrow afternoon there will be the usual bumper matinee for children. As an extra there will be given: "Two Little Vagabonds" by the Selig children Stock Co.
