The Woman's Medicine Has Proved Its Worth.

When Lydia E. Pinkham's remedies When Lydia E. Pinkham's remedies were first introduced, their curative powers were doubted and had to be proved. But the proof came, and gradually the use of them spread over the whole country. Now that hundreds of thousands of women have experienced the most beneficial effects from the use of these medicines, their value has become generally recognized, and Lydia come generally recognized, and Lydia E. I would have the headache for a week and my back would ache so bad when I would bend down I could hardly straighten up. My sister was sick in bed for two months and doctored, but did not get any relief. She saw an advertisement of your med-cine and tried it and got better. She told me what it had done for her, and when I had taken only two bottles of Lydia E. Pinkham's Vegetable Com-pound my head began to feel better. I continued its use and now I don't have any of those troubles." - Mrs. I. J. HANNAN, R.F.D. 1, Anamosa, Iowa.
