MOOSE JAW, June 8.—The Robin Hoods and Bronchos split even on their double header Saturday, the home crew taking the first game 14 to 6, while the visitors copped the second contest, 11 to 5.

The first game was a weird sort of an affair. Manager Weed's men found Frink and Reese easy and pounded out 14 hits which included five doubles and four triples. Seaton was also hit hard, but tightened up in the pinches. Hollis drove out a homer off his delivery in the first inning and sent in three ahead of him. Sacrifice hits also figured prominently in this game with the Millers getting six, all of which counted in the scoring. The game in the evening was a good one up until the seventh when Gavin weakened and Calgary pounded out enough hits to win comfortably. Hollis in the ninth again drove out a homer with three on bases. Up till the seventh the Millers had driven in five runs behind Gavin who had only allowed Calgary four hits. Four thousand fans saw the two games.

WHISMAN GETS IN BAD WITH HAT FANS

Refused to Listen to Umpire's Ruling and Had Very Pleasant Time

Medicine Hat, June 8.—Medicine Hat won three and tied the fourth of the four games in the Edmonton series here which ended in a row. The last game was not played out, being forfeited to the locals, 9 to 0, with one out in the first half of the fourth. The score stood 4 to 2 in Hat's favor. A dispute arose between Manager Whisman of the Edmontons and Umpire Arnold, the latter holding that a base runner took two bases on a pass ball, while the ground rules allow one. Whisman disputed this and refused to let the man go back as the umpire ordered. He also refused to finish the game under protest.

The Hat won the first game by 9 to 6, the brand of ball being along the same lines as put up in the other games. Hendricks was wild, Edmonton leading by four runs up to the sixth when the locals made seven runs. The fans were very angry over Whisman's tactics and the conduct of the Edmonton team and crowded around the players when the game was called, but offered no violence other than calling them uncomplimentary names.

The score:

First game—	R	H	E
Edmonton	002 220 000—6	10	3

Game called in first of fourth, forfeited to Medicine Hat by 9 to 0.

QUAKERS WON TWELFTH STRAIGHT FROM SOX

Regina Fans Are Growing Tired of the Monotony of Defeat

Regina, Sask., June 7.—Saskatoon Quakers won their twelfth straight game from the Regina Red Sox on Saturday. The locals made the poorest showing yet, even although joined by another recruit in the person of Heinie Krueger, formerly the crack shortstop of the Winnipeg Maroons. Local fans have been very considerate and have supported the team loyally in defeat, but patience is being rapidly exhausted. Score:

Saskatoon	004 504 1—14	16	3
Regina	000 110 0— 2	2	7

AUSTRALIAN TENNIS TEAM WINS THE DOUBLES

New York, June 7.—Playing tennis that ran the gamut from sensational to mediocre, the Australian team defeated the P. S. pair in the doubles for the Dwight Davis cup preliminary tie today by a score of .2to 6, 6 to 2, 5 to 7, 6 to 2. 9 to 7. The victory gave the players from "down-under" their first match of the series which stands: U. S., 2; Australia, 1.

On Monday the two remaining singles matches will be played, and while America needs one match, the Australians must win both to secure entrance into the second round to be played in England next month.

The U. S. pinned its faith to Maurice E. McLaughlin and Harold H. Hackett, while the islanders representatives were Stanley N. Doust and A. B. Jones.

McLoughlin's service and placing won applause time after time until it appeared he was playing the Antipodeans single-handed. He scored two aces, ten place shots, four nets and fuor outs, while Hackett's record was four placements, five nets, six outs and six double faults. Doust too was erratic and helped bring about defeat with 17 shots into the net or out of court.

In the fourth the U. S. representatives appeared to lose all idea of teamwork and continually interfered with each other. Hackett appeared to be tiring under the terrific Australian's work who never neglected to drive the ball in his direction if given the slightest opportunity. Jones was at his best here, placing shot after shot where it was almost impossible to return it and the score of 25 to 18 points and six games to two indicated the visitor's superiority.

All the fireworks that tennis of championship calibre can develop, were on exhibition in the fifth and deciding game. Play was so fast and thrilling that the spectators were on their feet throughout the entire 16 games ended to decide the issue.

Doust and McLoughlin were the stars in placement and passing, while Hackett and Jones appeared to fade under the gruelling pace and strain. The Californian scored three times as many shots as did Hackett, and Doust made twice the points to Jones in this respect.

McLoughlin fairly killed the ball in the effort to win the set, but his opportunities grew fewer with each passing minute, for Hackett was the target at which both Jones and Doust continually shot. Finally when the game had reached seven all, and the players were dripping with perspiration, the invaders ran out the two straight games needed and victory was theirs.

BRONKS ARE HOME NOW, HUMBLE BUT DETERMINED

After one of the most disastrous trips in the history of Calgary baseball, the Bronchos will return home today and make an effort to get back into their winning stride. Today, tomorrow and Wednesday the Bronks will combat with the Edmonton team at the Victoria Park ball yard. They will close the week in Edmonton. Tonight's game will start at 6.45.

The Athletics won a good victory over the Vics at Mewata Park on Saturday by the score of 16 to7. Bryce pitched another splendid game, striking out 11 men. The Vics used three twirlers during the course of the fracas, Harris being pounded out of the box in the first round after the Athletics had scored six runs.

Mains relieved him and got along smoothly until the sixth when the Athletics bunched hits and the Vics' errors allowed five runs. Riley went into the game in the eighth and finished the game.

BOTH "A" TEAMS WON CRICKET GAMES

Calgary "A" Defeated St. John's "B" and St. John's "A" Defeated Calgary "B"

At the Barracks ground, on Saturday, Calgary "A" followed up their victory of last week by defeating St. John's "B" by forty-six runs. Barnett and Bryant started the innings for Calgary, but the latter was bowled before any score was made. The two batsmen following offered little resistance to the bowlers. Barnett, however, was keeping his end up in fine style, and with the assistance of Napper, the score reached 94 before the latter was bowled for a useful 18. Four runs later Barnett was caught by Walker, his innings totalling 49 runs. Captain Clifford was the only other batsman to offer any resistance, his total reaching 13. The innings closed for 108 runs.

Walker had no luck with his bowling, only obtaining three wickets, although he kept a good length. St. John's did not make much of the bowling of Spick and Richardson, Redgrove being the only man to do anything worth while. He had a good 35, and carried his bat.

St. John's "A" Have Big Victory.

While St. John's "B" were getting trimmed at the hands of Calgary "A" at the Barracks ground, the other two teams, namely St. John's "A" and Calgary "B" were having a great game at Western Canada College. Up to a certain point the game was very even, but ultimately St. John's went clean away, and for the loss of four wickets only, compiled the score of 116. Calgary was only able to make 109, the fielding of the St. John's team being splendid. For Calgary, Weterall and Tims were the most effective, and on St. John's side Bullough had 21, Day 20, Jackson 16 and Downing 13. There was quite a crowd out to witness the game, and there was a "pep" about the batting and fielding that was pleasant to watch.

Trades and Labor Football League

In the Trades and Labor games on Saturday, the Plasterers sprung a surprise on the Carpenters by defeating them by two goals to nothing at Mewata park. Melville and Spalding were the only men worthy of note in the carpenter's team, and the plasterers worked very hard to get the victory. Craik was a good man for them. Norman Strang in goal was a big obstacle to the carpenters, and Fraser also played a good game. Miller on the left had some good passes. In the same league the Machinists and Plumbers had a one goal each, draw. Macrae was the best man on the Machinists' side, and the game throughout was well contested. There was a good crowd of spectators, who stayed to witness the two games.

Junior League Upheld Western Canada College Protest.

Western Canada college protested against the Callie Jrs. being awarded the points in their last game, because the Callies being the home team had not the ground marked out. The referee admits that if the lines had been in evidence, the Western Canada college boys would have been awarded a penalty against the Black and White brigade, and as a result, after a long discussion, the league have agreed that the game shall be replayed at Hillhurst on Wednesday evening. The two teams are evenly matched, but the Callie boys think they will in any case. Doctor MacRae's boys are equally confident.
