JUBILATION!

Arrangements for Celebrating the Fall of Pretoria.

Discussed by Local Civic and Military Authorities—London Wants to Make It a Record-Breaker.

Last night an enthusiastic meeting of aldermen, military men and citizens was held in the city hall to arrange for a monster jubilation to celebrate the fall of Pretoria when that occasion arrives. In introducing this subject, Mayor Rumball, who presided, said that it was the intention to have such a celebration as would never be forgotten in this city—one that would be worthy of the time and of the city.

Lieut.-Col. Stacey, of Wolsley Barracks, considered that it would be a splendid method of celebrating the fall of Pretoria if it occurred before the camp opened, to delay it until the militia came to this city, and that it be held then. Then, if a holiday were proclaimed, the 3,000 men in camp could assist. A military tattoo might also be held in the evening.

Ald. Winnett heartily endorsed this plan, as it would give the militia high-spirited and cheerful when they came to the country, and cheap railway rates were procured, then he believed large numbers of people would come from surrounding places. Thus the greatest celebration ever held in the city might be witnessed.

The following committee was then appointed to complete arrangements: Lieut.-Col. Holmes, D.O.C.; Lieut.-Col. Smith, M.C.; S. Hyman, Sir John Carr-Smith, Mayor Rumball, Ald. Pritchard, Jolly, Stevenson, Garratt, Plant, Dreaney, Wray, Winnett, ex-Mayor Wilson, Mr. Charles S. Hyman, Sir John Carr-Smith, Mayor Rumball, M.P. Col. Lays, M.P.P., Mr. R. Shaw-Wood, M.P., J. W. Jones, Thomas Gilleen, E. J. MacRobert, F. Cooper. The committee has power to add to their number. It will meet on Monday afternoon.

EXTENSION

Of Street Railway Tracks on South Street Suggested—Requests for Tax Remission Dealt With.

At a meeting of No. 1 committee, held last night, which was presided over by Ald. Jolly, and attended by Ald. Bamed, Stevenson, Dreaney, Winder, Mayor Rumball and Secretary Pope, the chairman and Ald. Stevenson were appointed to consult the street railway company in regard to an extension of its tracks on South street, east of Wellington street. A large deputation of interested citizens appeared, who were strongly in favor of the proposed change.

Progress will be reported in the consideration of the school board's supplementary estimates for the year of May 15, 1900, to May 15, 1901, amounting to \$223,089.56.

The committee reaffirmed its former decision in regard to a communication from Mr. Albert Smith, re a tax on personal property amounting to \$5,000, which was once recommended to be filed, and was referred back by the council.

J. W. T. Parke's request for a remission of taxes alleged to have been wrongly charged was granted. A similar request from W. H. Irwin, of Dufferin avenue, was met by a decision to charge the taxes against the property.

Catherine Bremner's request for remission of taxes was refused.

THE JUDGE'S JOKE.

While Judge Gary, of Chicago, was trying a case recently, he was disturbed by a young man who kept moving about in the rear of the room, lifting chairs and looking under things.

"Young man," Judge Gary called out, "you are making a great deal of unnecessary noise. What are you about?"

"Your honor," replied the young man, "I have lost my overcoat and am trying to find it."

"Well," said the venerable jurist, "people often lose whole suits in here without making all that disturbance."
