# Skin Diseases.

A diseased or disfigured skin will always leave its stamp on the mind of the individual. Many people suffering from dis-figuring skin diseases avoid society and lose all pride in their personal appearance. When the skin breaks out in eruptions and sores it is due entirely to an impure condition of the blood.

In all such cases Burdock Blood Bitters will quickly purify the blood and drive all the impurities out of the system.

Mrs. J. J. Magee, Jr., Kinmount, Ont., writes: "Inthesers." writes: "In the spring of 1936 I was troubled with a Rash that broke out all over me. It

was the worst on my face and head, had a dry, scaly top, and when I would get warm it would become very itchy. I tried the doctor's medicine but it did me no good, so I then got one bottle of Burdock Blood Bitters and before it was all used the Rash was entirely gone."

Mrs. Harvey Barkhouse, Gold River, N.S.,
ON writes: "I was greatly
troubled with Sores en
my face and finally became so bad I had to go
to the doctor about it, but he could de

In the older provinces the increase in membership nad been 1,668 and corresponding satsfactory in the west, numbering 753 here. A number of new lodges had also been instituted there. He reported that R. T. McNichel, superintendent of organization, would retire at the close of the grand lodge. He reported the finances of the order in a healthy con-
