## GAIN 1-0 VERDICT IN PLAY-OFF AT LISTOWEL

Red Gildner Scored Lone Tally Half Way Through First Period—Rest a Herculean Struggle.

LISTOWEL, Feb. 16.—By defeating Warton Redmen by a score of 1 to 0 Kitchener O. H. A. Intermediate won the round. The deciding goal was scored by "Red" Gildner about the middle of the first period, and the Greenshirts managed to hold the Redmen for the remainder of the game. Special teams came from both places, bringing supporters, and over 2,000 paid admission. The game was full of thrills from beginning to end.

The first period opened at a lively pace, the Redmen carrying the battle into the Kitchener goal area, but were unsuccessful in getting any shots on Zuber. The Greenshirts followed with a series of rushes, which were successfully broken by the Redmen. The game was evenly matched until "Red" Gildner broke loose, and on an individual rush scored through the opposing defence and beat the nets giving Nimmo no change to save. For the rest of the period Warton did not attempt to pass Kitchener defence, but shot from outside, without results. Nimmo was kept continually on the jump, and blocked shot after shot.

The Redmen had most of the play in the second period, but Zuber, by breaking up a rush early in the period, saved the score.

Several penalties were handed out on both sides, and Warton checked hard towards the end of the period. Warton lay back, and Kitchener missed three chances in succession to tally, partly through bad luck, but chiefly through the brilliant work of Nimmo in the nets. Dad Ashley received a severe blow in the stomach from the end of a stick, but was able to continue.

In the third period again Warton had the best of the play, and missed many beautiful chances to even the score. Erb, for the Greenshirts, got his shoulder dislocated, but was able to continue. Kitchener towards the end of the period played a strictly defensive game.

## Ruth and Yanks May Be Here in August.

THERE is every probability that Babe Ruth with his Yankees will be seen in action at Tecumseh Park during next August.

The Yanks have an off date in Detroit, and every effort will be made by the local club to get the big slugger to come to town after a stand here.

Ruth, of course, would be the big attraction, and if the deal clicks they'll have to string a cord of traffic cops on a five-mile radius on the roads around London.

PRO SKATE HONORS WON BY EVERETT MCGOWAN

SARANAC LAKE, N. Y., Feb. 16.—Everett McGowan, St. Hubert, the American professional outdoor skating champion from Arthur staff of Chicago here today, after a three-day meet, which ended today, and staff scored 160. Edmund Lamy of Saranac Lake finished third with 109, and Bobby McGowan of Chicago scored 50.

In winning the three-quarter mile race in 2 minutes 40 seconds, McGowan set a new world's record for the distance, clipping off two seconds from the time made by Lamy in 1919, when the Saranac-Lake veteran was an amateur.

When Kid Williams held the title, Moore outpointed Williams in a most decisive manner. If you are willing to accept the verdict of the newspaper men who sat at the ringside.

That battle was regarded as a mere flash in the pan by most of the experts.

Then the title passed to Pete Herman. In a no decision affair, after Herman had won the title, Moore clearly outpointed the champion.

Once more Moore received very little credit for the performance. It was agreed that Herman simply had an off night.

Joe Lynch then came to the front, and took the title from Herman. Shortly afterward Moore met the new champion at Louisville and gave Lynch a boxing lesson. Moore's superiority was so apparent that he began to receive serious consideration as a contender for the title.

In the meantime Johnny Buff took the honors from Joe Lynch. For ten rounds Moore threw a million boxing gloves at Buff. Even Buff admitted he had been badly outpointed.

Moore is certainly entitled to a bout in Buff for the title. Perhaps the Milwaukee bout caused Buff to decide to drop below.

Moore holds the unusual title of uncrowned champion of the bantams.

Much interest will be taken in the showing made by Jesse Barnes with the Glants this season. A good many National Leaguers insist that Barnes pitched away above his form in the world series.

Unbeaten Advertisers Meet Fast Hobbs

Hobbs Hardware team has challenged the unbeaten Advertiser team to a game, which will be played at the Westminster Rink at 1:15 o'clock Saturday afternoon.

The boys who grow careful handling glass are growing careless in their hockey activities, and it is confidently hoped they'll receive a lesson tomorrow.

The Advertiser will be represented by the following players: Penny, Fitzmaurice, Dalton, Bell, Bill Ray, M. Smith, Grafton, Love (a former Springfield star), Sharnan and McEellan.

This galaxy of stars, whose challenge to the Free Press a week ago was not accepted, are in the salmon pink of condition for Saturday's match and straining at the leash.

Admission to the mix will be free.

At a recent meeting of a number of professional golf players in New York it was my very good fortune to hear this question thoroughly thrashed out.

A great many of the best players in the country do not agree with the statement that golf is the most difficult of all games to master.

Don't get the impression, the result that any games played this year in the Manufacturers' League at Westminster Rink last night from Standard Drug by the score of 3 to 2. The winning goal came in the last five seconds of play on some of the best combination of the night.

The fans were kept on edge the whole game, and when hockey was played it was of the best kind. Referee Barney Clark penalized Murray and let McKay stay on the ice. McKay got the puck from the face-off, and along with McClary, went through the Druggists' defence for the winning goal, McKay shooting.

McClary had things all to themselves in their class with the Bell Telephone crew in the opening game. They defeated them by the score of 9 to 1. Andrews pulled some stuff during the game. He has always had a habit of skating around the back of his opponents' nets and scooping in the puck.

He hadn't many chances with Andrews to do this, but last night he had them, and took advantage of them. He got away with one of a dozen attempts. Jack Murray made many rushes. Three times he made them count. Stevens played his usual good game for the Bell men. He got a bad cut over his eye in the last period, when the point of a stick got him in the eye.

Wilcox scored the Bell's only goal. The Druggists got their goals in the first and second periods. Doherty got the Bell men, he got a bad cut over his eye in the last period, when the point of a stick got him in the eye.

McClary, a new man for the winners, proved to be just about the fanciest skater in the league. Last night was his first appearance with the team, and he showed great form. He was not penalized during the whole game. Crittle and Granger played well for the Druggists. The former took the lead in the first period, and the latter took the lead in the second period on a rush.

McClary brothers did the work for the London Motors. Andy got the first out of a scramble and Roy tied the score when he took a luck shot from center ice. Then Archie and McClary got the last.

BY BILLY EVANS.

Golf has generally been considered the hardest of all games to master.

Does such an impression do the game an injustice? Does that viewpoint tend to make the efforts of the beginner all the more difficult?

## GOLF NOT AS HARD AS IT LOOKS

Jim Barnes has a natural follow through.

Keep Your Eye on the Ball.

The big thing is to hit the ball properly. What is done before the ball is hit is far more important than how your club and body looks when you finish. First hit the ball properly and do more, at the plate than the good right-hander.

By that I mean the left-hander thinks more of trying to place the ball, bunting when you expect it, or waiting until you get to a far greater extent than the right-hander.

What I want to say is that the left-hander, while not harder to fool than the right-hander, has a tendency to play a little more baseball in an effort to outguess the pitcher.

The fact that a left-hander has a start to first on the right-hander is, I think, the cause of most of them to resort to the bunt more than the right-hander.

What batter makes the most trouble for me?

That is rather hard to answer, because there are a lot of good hitters in the American League and I have met many of them. I have made plenty of trouble for me.

Jack Fournier, formerly with the Cardinals, and now with the St. Louis Browns, has caused me more trouble than any other batter I have met.

Duffy Lewis, this Speaker, Derrill Pratt, Eddie Collins, and Frank Baker are a few others who always liked my stuff.

Friday night a contest will take place between Coleburn's and Durkin's rinks for the second prize.

CONSTIPATION BAD HEADACHES, FAINT, DIZZY SPELLS

Constipation is one of the commonest ills of mankind and one too often allowed to go unlooked after, until some serious complication sets in.

A free motion of the bowels daily should be the rule of everyone, then there will be no constipation, sick or bilious, dizziness, heartburn, coated tongue, foul breath, sour stomach, floating specks before the eyes, jaundice, water brash, etc.

Keep the bowels properly regulated by the use of MILBURN'S LAXA-LIVER PILLS, and you will enjoy the best of health.

Mrs. Frank Wilkey, R. R. 2, Belmont, Ont., writes: "I have been troubled with constipation for nearly two years. I had bad headaches, faint and dizzy spells, and would bleed terribly. I was nearly discouraged, for I had tried so many things that gave me no relief. My mother got me a vial of Milburn's Laxa-Liver Pills and told me to give them a fair trial. I felt much better and continued their use. Now I have no faint and dizzy spells and am gaining nicely. I would not be without Milburn's Laxa-Liver Pills for the world.—Adv.

The C. I. crew found the artillerymen stepping off on the wrong foot, and they kept them to that pace through out. It was tied up 15 all at half time, but at few stages of the game did the 12th show their usual form.

It was a big night for the purple and gold, as their second team in the curtain raiser ran away from Amheeks, 27-15.

PAN-DRIED KIDS WIN N.H.L. GROUP AT A MEETING

TILSONBURG, Feb. 16.—A special meeting of the local pan club held today decided on many important questions, among which was the determination to hang the London Alert juniors on the fence in the Northern League game Friday evening, and also to win the round. Still, in goal last Monday evening, should have been in bed instead of on the ice, but he is over the worst of his cold, and is ready to be the Alerts right in London. During the past few evenings several games have been played with rural teams, and some wonderful junior material has been uncovered in two husky lads, D. Hicks and Alex Ferguson, who, if they continue to improve, will add a touch of strength to next year's juniors, but who will be unable to get in the N. H. L. series this season.

CHATHAM AT BLENHEIM.

BLENHEIM, Feb. 16.—Blenheim and Chatham hockey teams play an exhibition game here tomorrow night. Chatham on their last visit were defeated, but they did not leave with the idea that Blenheim can repeat the handout, and another opportunity may tell a different tale.

Pal Moore occupies a unique position in pugilistic circles.

Moore is a legitimate bantam. He has been fighting for nine years.

During that time he has outpointed four holders of the bantam title, some of them decisively, yet he has never worn the crown.

The reason, of course, lies in the fact that Moore met the champs in no decided bouts. In each case he won the unanimous verdict of the newspaper men. Unfortunately for Pal the title does not go with such decisions.

When Kid Williams held the title, Moore outpointed Williams in a most decisive manner. If you are willing to accept the verdict of the newspaper men who sat at the ringside.

That battle was regarded as a mere flash in the pan by most of the experts.
