

boundary of the municipality, and other subjects of interest to the inhabitants. In surrendering the office, he had the satisfaction of feeling that he had hon-estly tried to do his duty. He thanked them for their patient hearing, and took his seat amid applause. The treasurer, Councillor F. N. Leather, was next called upor. He fead the balance sheet, comparing it with that for the previous year. There had been a large increase, in the item of road tax; the amount of arrears had been cousid-erably reduced, which spoke well for the prosperity of the district. The total cori-lected exceeded by \$1,000 that for 1899. He had no desire to enter into the road controversy; but, with regard to in-creasing the revenue, one way to do this was by increasing the population. This district was exceptionally attractive in scenery, climate, soil, sport and charac-ter of the inhabitants. Not one man in ten thousand in the Old Country had any idea of the real conditions existing here. If Cowichan were suitably ad-vertised-say by means of a pamphlet, well illustrated from good photographs-he believed that hundreds, nay, thou-sands, would desire to make their homes here. Councillor W. C. Duncan said that,

After the speeches, which had been istened to with the closest attention, an animated and very general discussion took place; as each was actuated by a desire for the good of all, differences of opinion did not lead to loss of temper. A resolution moved by Mr. A. McKinnon, seconded by Mr. W. Herd, empowering the incoming council to raise a revenue sufficient for requirements, was carried by a large majority, and a very successful meeting was brought to a dose at midnight by a hearty vote of thanks to the chairman.

plete breakdown and perhaps that most dreaded of all diseases --- Consumption. A tonic is needed and for this purpose Areacise of

D. Williams' Pink Pills for Pale People

are without an equal. Their wonderful record of cures place them at the head of all medicines throughout the world. The use of these pills has made thousands of weak, ailing, despondent women and girls bright, happy and strong.

## PROOF OF CURE.

Miss Emma Chaput, Lake Talon, Ont, writes :- "I cannot thank you enough for the good I have derived through the use of Dr. Williams' Pink Pills. 1 honestly believe that but for them I would now be in my grave. My health was completely broken down. My face was as white as chalk, and if I made the least effort to do any housework I would almost faint from the exertion, and my heart would beat violently so that I feared I would drop where I stood. I was a great sufferer from headaches, and d zziness as well, and my appetite was so poor that I scarcely ate at all. I tried several medicines, but they did not help me, and then I decided to send for some of Dr. Williams' Pink Pills. I got six boxes, and before I used them all I was as well as I had ever been, with a good heil by color, argood appetite and an entire freedom from the ailments that had made me sumiserable. You may be sure I will always have a warm regard for your invaluable medicine."

But you must get the genuine, and only the genuine have the full name "Dr. Williams Pink Pills for Pale People" on the wrap-per around every box. Sold by all dealers or sent by mail post paid at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams Medicine Co., Brockville, Ont.
