Local Parties Interested

Mr. S. W. Dimock returned Sat
day morning from St. John and Mon
cton where he had been promoting a
company for the erection of an up-to
date Opera House for Moncton. While
in Moncton, parties were taken on
sites, and local parties are interested
in the undertaking.

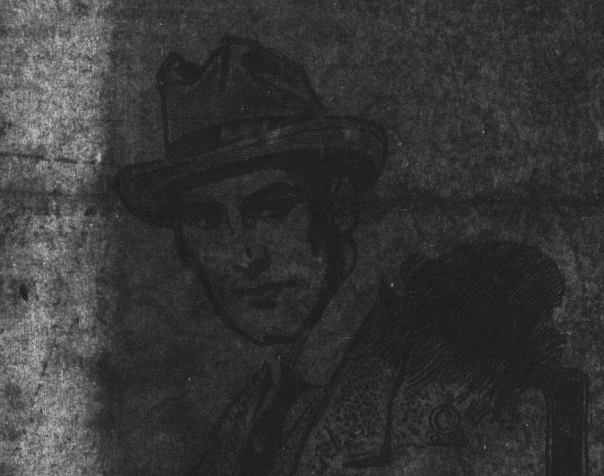

It is proposed to erect a thoroughly
modern Opera House, with a seating
capacity of two thousand.

Moncton, Feb. 9.—Officials of both
the Dominion and Canadian Express
Companies stated today that they cer
tainly had no intention of raising the
rates in reducing rates as the re
sult of the investigation of the new
parcel post system. They say the
railway Commission already has cut
the rates to the lowest limit for pro
fitable working. On behalf of the Am
erican Express Company, it was print
ed out that it had complied, since Feb
ruary, with the order of the Inter
state Commerce Commission and made
a reduction of twenty-five per cent. on
parcels coming from the United States
to Canada.

Young Men's Clothes

There is and probably
will be a certain class
of clothes known as "young
men's clothes."

It doesn't necessarily
mean that they will be worn
by young men only—they
are worn by all smart
men of youthful inclina
tions in dress.

ART CLOTHES

The young men's
clothes are the reason for
the large and rapidly increas
ing demand for them in this town.
