

THE SLAUGHTER ON SUNDAY.

AN ARAB ACKNOWLEDGMENT TO THREE THOUSAND.

The British loss about a hundred men... The British loss about a hundred men... The British loss about a hundred men...

ANOTHER BATTLE TO-BE.

SCARIM, March 23.—A general advance towards Tarnal will be made to-night by Gen. Graham. McNeill's Arabs must be shifted on account of the intolerable effects of the rapid decomposition of the Arabs.

THE ARABS ACKNOWLEDGE TO 3000.

SCARIM, March 23.—The Arabs who were reinforced and safely held. The Arabs admit they lost 3000 men in Sunday's battle.

EVACUATION OF KORTI.

KORTI, March 23.—Lord Wolsey has ordered the evacuation of Kort. Typhoid fever, dysentery and sunstroke are increasing among the troops.

THE EGYPTIAN AGREEMENT.

LONDON, March 23.—In the house of commons this evening, replying to Sir Stafford Northcote's motion, the Egyptian agreement reached the end of its career.

A TEMPORARY SUCCESS FOR THE REBELS.

LONDON, March 23.—Gen. Graham telegraphs from an advanced Araba that the British position there is secure against any number of the enemy.

CABLE NOTES.

Lord Wolsey and his staff will take up their quarters at Dongola on Tuesday. The German re-embarking yesterday finally adopted the bill subsidizing steamships.

THE GERMAN RE-EMBARKING.

It is again asserted on good authority that Dr. Walsh will succeed Cardinal Meade.

THE GERMAN RE-EMBARKING.

It is stated that Italy and France will propose a prorogation of the monetary convention for eight years.

THE FRENCH MINISTER OF MARINE.

Congress are openly in motion for a credit of 2,400,000 francs on account of the military operations in Madagascar.

THE FRENCH MINISTER OF MARINE.

It is said England will send 15,000 men to India as a permanent increase to the garrison.

Two detectives who were sent to the United States to work up testimony against Cunningham and Burton have returned to London with important information against the prisoners.

FAST FREIGHT TRAFFIC.

What the Grand Trunk Railway are prepared to do. A conference of officials connected with the fast freight lines between Chicago and Boston over the Grand Trunk system was held last Friday.

DIABOLICAL MEXICANS.

One Subject His Mistress to Barbara. One Subject His Mistress to Barbara. One Subject His Mistress to Barbara.

THE NEW E. S. MINISTER TO ENGLAND.

WASHINGTON, March 23.—The senate has confirmed the following nominations: Edward J. Phelps, minister to Great Britain; Henry R. Jackson, minister to Mexico; John M. McLean, minister to France.

REMOVED ALARM ON CHANGE.

LONDON, March 23.—The alarm over the prospect of war with Russia has been removed on the stock exchange owing to the reported preparation of the British troops to Herat.

THE BRITISH PARLIAMENT IN 1885.

THE BRITISH PARLIAMENT IN 1885.—Fall of the Coalition Ministry and Death of the Earl of Kimberley. Towards the end of the dreary month of January we awoke to the conviction that our men were overtasked for want of collection, and suffered from want of food.

RECOVERED FROM THE GRAVE.

FREESTON, O., March 23.—Benjamin Freeston, aged 16, apparently died last Thursday. When the coffin was opened at the grave on Saturday morning was legible on the glass. The body was removed and the boy revived.

A PHYSICIAN'S FATAL MISTAKE.

NEW YORK, March 23.—Dr. J. W. Rathbone, one of the most promising physicians in Howar, Steuben Co., while under the influence of liquor on Thursday, took an overdose of chloral and gave one to his crippled sister. Rathbone is dead, and there is no hope of his sister's recovery.

CHILDREN SINGING WITH THE HOUSE BURST.

NEW YORK, March 23.—A fire broke out today on the third floor of the Five Points mission house. Six hundred children in the building were singing until the fire was extinguished.

THE NICHOLSONS GO DOWN.

GRAND HAVEN, Mich., March 23.—The propeller Michigan, valued at \$145,000, which has been locked in mid lake for the past month, sank on Thursday, and the crew were rescued by a tug in the vicinity.

TEMPERANCE COUNCILS FUSED.

NEWBURGH, N. Y., March 23.—Two temperance ladies who have been holding temperance prayer meetings in Cornwall and entering saloons, hotels and stores that were closed 8:00 and closed to-day.

GREENFIELD AND BURKE.

CHICAGO, March 23.—Jack Burke and Al. Greenfield sparred six rounds to-night with small soft gloves. The men were evenly matched but no decision was rendered.

A FRENCH ADMIRAL.

PARIS, March 23.—Gen. De Lisle telegraphs that the Chinese losses at Thuy-quan on March 22 and 23 were enormous, among the killed was a chief of the black flags.

TOO POINTED TO REPLY.

ENGLAND'S AGREEMENT WITH RUSSIA ONLY VERBAL. An awkward admission by the government—Peace Resting on Russian Frontiers—Lord Dufferin Meets the Emperor.

LONDON, March 23.—In the house of commons this evening Lord Edward Fitzmaurice, under secretary for foreign affairs, replying to a question put by Henry Drummond Wolff, said the Anglo-Russian agreement in regard to the Russo-Afghan frontier was not recorded in a formal document.

Sir Henry Wolf then asked: "Does the question of peace or war depend upon the verbal assurance of Russia?" To this Lord Fitzmaurice did not reply, whereupon the conservatives cheered vociferously.

On His Way to Meet the Emperor. CALCUTTA, March 23.—Lord Dufferin, viceroy of India, departed for Rawal Pindi to attend the conference with the emperor of Afghanistan concerning the frontier dispute.

ENGLAND'S CONCESSIONS.

ST. PETERSBURG, March 23.—The Soviet, the Russian military organ, says England is ready to give Penjdeh, Tashmusa and Dush to Russia but wishes to make a road from the Caspian sea to India.

THE INDIAN FORCE FOR QUETTA.

CALCUTTA, March 23.—The force to be sent to Quetta consists of three divisions and 11,000 reserves. Two hundred will be added to every infantry regiment in India and one squadron every cavalry regiment.

REMOVED ALARM ON CHANGE.

LONDON, March 23.—The alarm over the prospect of war with Russia has been removed on the stock exchange owing to the reported preparation of the British troops to Herat.

MUSKETS CONCENTRATING TOWARDS HERAT.

LONDON, March 23.—A despatch from Kabul dated March 21st says that the Russians were concentrating towards Herat. Measures were being taken for the defence of Herat.

THIRTY YEARS AGO.

Opening of the British Parliament in 1855.—Fall of the Coalition Ministry and Death of the Earl of Kimberley. Towards the end of the dreary month of January we awoke to the conviction that our men were overtasked for want of collection, and suffered from want of food.

THE PRESBYTERIAN SYNOD MEET HERE APRIL 13.

DYNAMITERS AT OUBREK.

Two suspected men shadowed and arrested. QUEBEC, March 23.—Two Irish-Americans have been arrested here on suspicion of being dynamiters. They arrived via the Grand Trunk a few weeks ago and have since been closely watched on their frequent trips between this city and Lewis.

FACTORY AT GANANQUE DESTROYED.

GANANQUE, March 23.—The large flour factory occupied by O. D. Cowan's manager and Atkinson & Cowan, manufacturers of clock springs and shoe shanks, was completely destroyed by fire on Sunday at 6 a.m.

MR. STELLER ASKS A CANDIDATE.

CONCORD, March 23.—A mass meeting of the conservatives was held this afternoon in their rooms to select a candidate to contest the ward of Northumberland for the common election on April 7. Speeches were made by Mr. Mulholland, M. P., and the lately deposed representative, Mr. Gullitt, who was the unanimous choice of the meeting.

FRENCH SEIZURE IN MADAGASCAR.

LONDON, March 23.—The French have occupied the harbor of Diego Suarez in Madagascar. It is considered an important situation for a naval station in the Indian ocean.

THE RIEL REBELLION.

THE MOUNTED POLICE ON THE SPOT.—REBELLION IN MANITOBA.—REBELLION IN MANITOBA.—REBELLION IN MANITOBA.

OTAWA, March 23.—Mr. Blake asked whether it was true that the half-breeds under Riel had risen in rebellion at Prince Albert, had imprisoned officials, that the government knew of this action, that assistance had been asked by the settlers, and that the Winnipeg battery had been ordered out.

Sir John Macdonald said it was true the half-breeds had out the wires between Qu'Appelle and the South Saskatchewan river and had imprisoned the telegraph operators. This action was said to be because of a letter from the government.

Relative to Sir John Macdonald's statement it may be stated that a despatch from Prince Albert received at Winnipeg this morning stated that the half-breeds had been joined by large numbers of Indians and were in possession of all the government stores at Carleton Place.

The race for the position was reduced to two candidates last night—Wm. Hamilton and Major R. Hamilton. Both gentlemen had good backing, but the first named was chosen by the grace of the conservative majority of the council.

THE ALDERMEN AT WORK.

Matters before the city council at last night's meeting. There was not a solitary absentee at the special meeting of the city council which the mayor opened at 7:30 last evening.

Mr. Small, M.P., had informed him that if the city council did not put up \$100,000 work would not go on with the harbor improvement. A special committee was on motion of Ald. DeLoe, appointed to look into the matter.

Mr. Blake asked whether it was true that the half-breeds under Riel had risen in rebellion at Prince Albert, had imprisoned officials, that the government knew of this action, that assistance had been asked by the settlers, and that the Winnipeg battery had been ordered out.

Relative to Sir John Macdonald's statement it may be stated that a despatch from Prince Albert received at Winnipeg this morning stated that the half-breeds had been joined by large numbers of Indians and were in possession of all the government stores at Carleton Place.

THE SALVATION ARMY RACKET.

TWO WOMEN TRY TO WORK IT UNLAWFULLY AT HAMMILL. HAMMILL, March 23.—Ellen Richards and her sister, Mrs. Richards, were members of the Salvation Army, and Eliza Martin, an inmate, declared she met Richards at the barracks and was a visitor to the house on salvation society. Martin was sent to the Mercer reformatory for the same offence.

Further changes in the tariff. The tariff on Canadian publications has been reduced to 25 per cent. The tariff on umbrellas, steel, iron and brass fittings for the use of machinery has been reduced to 25 per cent.

The attractions at Manford's. Manford's efforts to provide good performances at low rates must be highly gratifying to his hundreds of patrons. He seems to have the happy faculty of striking the correct time every time.

Before the scenes: King—Down, slava, and save my royal pardon. Slave—Yes, sire; most humbly do I crave thy clemency.

Frederic's Timber Limits. From the Montreal Witness. Dr. Bergh, M.P., of Cornwall, in answer to the Globe's assertion that he was interested in timber limits, and had to follow his leader, Sir John Macdonald, says that he is in no way interested in the timber limits.

Precautions Against the Plague. An anti-boom man was reinstated with his wife by the other side of the account of the increasing liberality of his position. But he was equal to the occasion, explaining that the best medical authority in Ottawa had informed him that brandy was the only sure cure for cholera, and he had already felt symptoms of the dread disease, he was taking the remedy in time.

Shadows of a Great City. The Grand opera house was crowded last night, and the large audience was more than pleased with the first production in Toronto of the new American melodrama, the Shadows of a Great City.

Mr. Steller Asks a Candidate. CONCORD, March 23.—A mass meeting of the conservatives was held this afternoon in their rooms to select a candidate to contest the ward of Northumberland for the common election on April 7.

FOR BANKS AND BANKERS.

A CLEARING HOUSE TO BE ESTABLISHED IN TORONTO. A healthy sign of the city's growth and prosperity—Details of the new institution—A committee of work.

Seven of the leading banking institutions of this city have expressed their approval of the establishment of a clearing house in Toronto. The clearing house is an institution founded, not merely upon the idea of saving time and trouble in the use of the precious metals, but also of circulating funds.
